QUALITY ASSURANCE

SINGLE-FAMILY QUALITY ASSURANCE

Single-Family construction has its challenges: trades, schedules, budgets, warranty, re-work, etc. At Burgess, we believe that with a strong QA/QC program, homebuilders can mitigate and eliminate these pain points. Best of all, with the Burgess QA/QC Program, builders don't have to sacrifice margins along the way to get the results they deserve. Here's what the Burgess Team can offer:

- Guaranteed next day inspections
- Decreased construction cycle times
- Reduced warranty re-work
- Free training for builders and trades
- ICC combo certified consultants
- Free marketing materials for sales teams
- Performance analysis reports
- 35+ years of inspection experience

BURGESS

- QA/QC Inspections
- Energy Testing
- Builder Training
- Engineering
