SINTERED STONE BY AGL SURFACES

The definitive surface for seamless *interior-to-exterior continuity.*

INNOVATION

A fully mineral surface formed by compacting natural minerals under extreme heat and pressure, replicating in hours what geology achieves over millennia.

FUNCTION

Zero porosity: resists stains, moisture and chemicals without sealing. UV-stable and frost-proof, with no fading, no yellowing and no seasonal movement.

DESIGN

Marble, Stone, Cement, Metal and Basics, with bookmatch sets, in 3200 × 1600 mm slabs. One design runs from kitchen counter to terrace to façade.

BUILDER & HOMEOWNER VALUE

One specification across floors, counters, cladding and façades. Lightweight to install, nothing to seal at closing, and a 25-year limited warranty.

CALCARA · TABLE

CANDORE · EXTERIOR

25-year *limited warranty.*
