Required

- Z Control® Enabled equipment
- Internet connection
- Z Control® Cloud account

www.ZControlCloud.com

Can existing controls benefit from Z Control®? Yes!

Control panels, alarm devices, and any other products with Auxiliary Out Contacts can utilize the Z Control® Cloud notification features when connected to the Auxiliary input on the Z Control® Gateway.

- Monitor and troubleshoot from anywhere
- Diagnose and determine service urgency
- Respond to potential issues before the owners are aware they exist
