

RE: **GlassCraft Door Company Introduces the NEW BarnCraft Premium Rolling Doors**

GlassCraft Door Company introduces the new BarnCraft Collection of premium rolling doors in 4 distinctive Design Series, including the Barn Door Series with the weathered rustic look; Contemporary Series with minimalist and modern designs; Two Panel Series offering unique combinations of speakeasies, straps and clavos; and Divided Lites Series featuring single and double doors with 4 glass texture options. The 9 door profiles in the Barn Door Series are available assembled or unassembled with assembly instructions and hardware. These unassembled doors may be shipped via UPS.

All BarnCraft doors are available unfinished or with a choice of more than 40 factory prefinish colors and stains in GlassCraft's distinctive traditional, distressed and antique finish selection. This includes the unique Barn Door Series stain options that highlight the rustic weathered grain appearance of an authentic barn door. The doors are available in multiple wood species including Barn Wood, Knotty Alder, Mahogany and Birch. GlassCraft also offers complementary premium barn door hardware in 5 designs (available separately from the doors) with a smooth and quite-gliding feature. Setting these barn doors apart in the market is the wide range of premium options that allow homeowners to customize their barn door in a multitude of door styles, finish, decorative options, and wood specifics (depending on the design series). BarnCraft doors are available in twenty-five door profiles in different widths and heights to suit a variety of home interior styles.
