

# Invoicing Magic Made for Cost-Plus Builders

inBuild is a financial tool that makes document processing effortless. Automate invoice capture, budget management, and pay application export. Say goodbye to manual data entry and hello to easier, accurate financials.

## Built For Your Business

- Save Hours Per Billing Cycle
- Expedite Cash Flow
- Audit-Proof Your Business
- Enhance Team Workflows
- Take On More Projects
- Focus On Building, Not Billing

**92%** REDUCTION IN TIME SPENT  
ENTERING DOCUMENTS

**10x** DOCUMENT  
TRACKING AND  
VISIBILITY

**99%** ACCURACY RATE

My construction company was spending a minimum of 16 hours a month on managing our project's finances... That is until we fully integrated inBuild into our system. We have cut that time burden to less than 4 hours a month with no inaccuracies! The AI component is absolutely incredible at saving us time and potential errors.

Try inBuild! Do it... seriously do it!

Jake Walsh, JT Builders

## Building a Better Process
