DISCOVER A NEW PARTNER IN
HIDDEN FASTENING
TECHNOLOGY

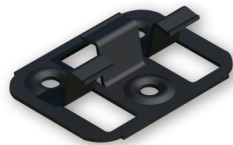

WE MAKE YOUR WORK LOOK EVEN BETTER

FRUEH Building Systems specializes in the highest quality hidden fastening solutions for walls, ceilings, facades, and composite decks. Our fastening systems are long-lasting and concealed so the only thing people see is the beauty of your craftsmanship.

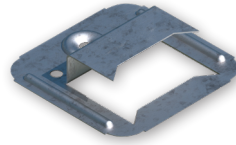

50+ YEARS OF GERMAN-ENGINEERED PRECISION

Established in 1955 in Germany, FRUEH is the leading provider of hidden fastening systems. We developed the first system in 1971 and, since then, we've designed and manufactured a wide range of solutions for OEM's, construction companies, and DIYers.
