WHOLE HOME AIR FILTRATION

Filter the air at every air return in the home - **creating a whole home air filtration system.**

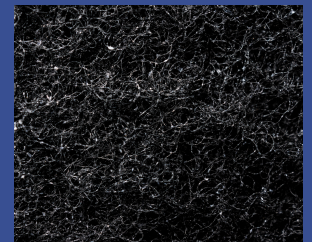

Our composite vents allow for easy installation and maintenance to enhance the aesthetics of every room and ensure cleaner, healthier air throughout the home.

OUR FILTERS

Rated MERV 6 - Aids in Asthma & Allergy Relief

- Traps particles in the 3.0 – 10.0-micron size range, including:
 - Dust, Lint, Pollen, Dust Mites, Mold Spores, Pet Dander, Carpet Fiber, and many more.

Consists of Activated Carbon

- Removes gases, odors, chemical vapors and volatile organic compounds including:
 - Smog, Tobacco Smoke, Cooking Odors, Pet Odors, Exhaust Fumes, Benzene, Phosgene, Propane & Many More

Coated with an Antimicrobial Disinfectant

- Each filter is coated with PRO-Techs Antimicrobial Disinfectant that works 24/7 to prevent growth of bacteria, fungi, algae, yeasts, and viruses on a wide variety of treated articles and substrates. The antimicrobial active ingredient is registered under the EPA, EBPR, & many other comparable regulatory bodies around the world.

Maximizing Your Protection

Our System works for you if you deal with:

- Allergies
- Asthma
- Mold
- Mildew
- Pet Dander
