

Lifetime Green Coatings

Partnership Benefits

Lifetime Green Coatings™ works with homebuilders across the United States to provide their clients the most game changing product in floor coatings!

- ◇ All-Natural Materials
- ◇ No VOCs
- ◇ Odorless
- ◇ Non-Toxic
- ◇ Lifetime Warranty
- ◇ Eco-Friendly

And unlike epoxy or polyureas, we cure in cold temperatures for year-round installation!

Ways to Partner

Over the years we have worked with home builders

- As a Pre-Closing Option to separate from the competition and drive revenues (estimate \$700 – 1,000 per garage in net earnings)
- Post closing garage builder revenue (roughly \$500 for a 2-car and \$700 for a 3-car)
- Warranty repair for patios, driveways, walkways
- Waterproofing surfaces
- Promotions to move inventory with gifts awarded to Sales Staff

Warranty Option for Concrete

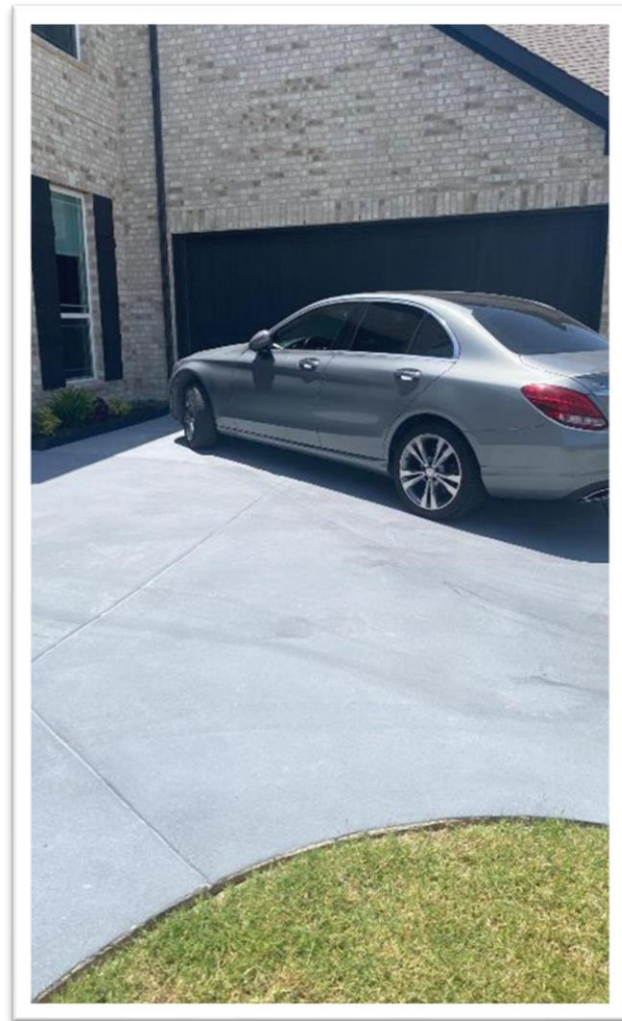

Garage floor or driveway damaged during construction

- Low cost option to repair damaged floor
- Quick deployment of install technicians
- Speedy cure times so closing schedule is not interrupted
- Appealing aesthetic for the home buyer
- A fraction of the cost versus pouring a new floor or driveway

Driveway Applications

Stands the test of time

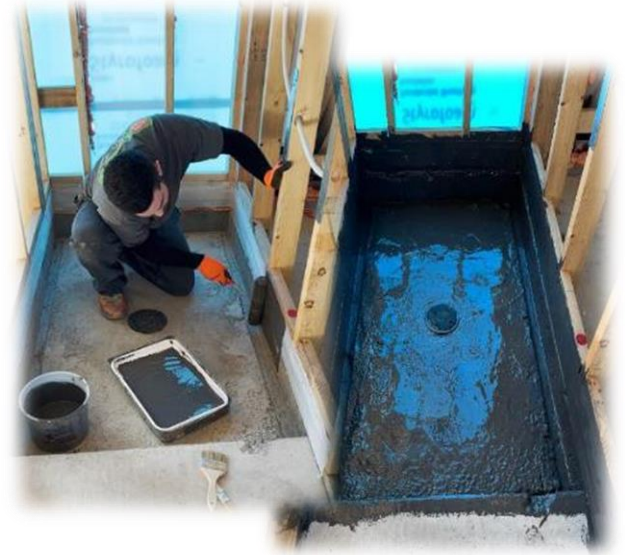

- Tested in the harshest of conditions
- Withstands high traffic and exposure to elements
- Winter tests included ice, salt, and regular snow plowing
- Variety of color options
- Flexible, will move with the substrate without cracking
- Basecoat chosen to match concrete
- Coating saturated with a full broadcast of quartz
- Diamond-hard finish

Waterproofing Surfaces

Waterproof showers before the final installation

- Easy to tile over our base coat
- Can be installed prior - or after - drywall installation
- Coating self levels to create a seamless, watertight membrane
- Goes down fast and cures quickly in all temperatures
- Cost effective, speed = savings we pass along to you
- Remains 100% flexible to move with the surface, unlike epoxy
- A-Fire rated for safety
- Non-toxic green material

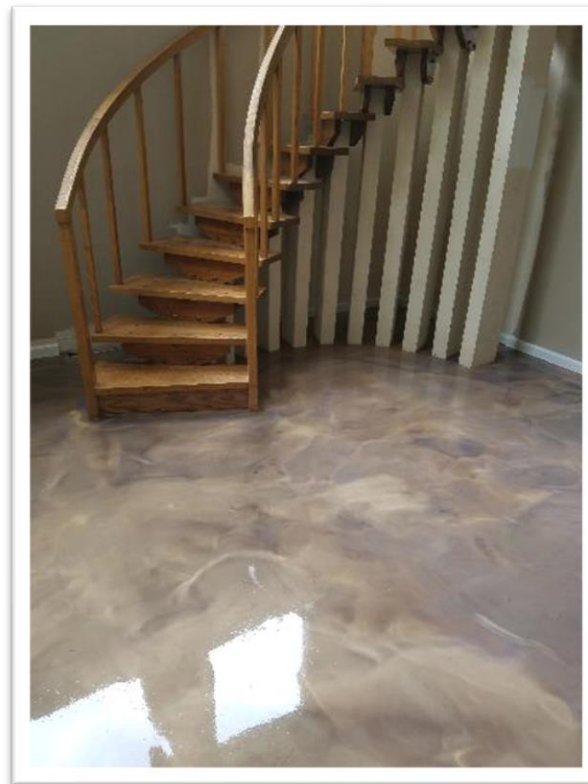

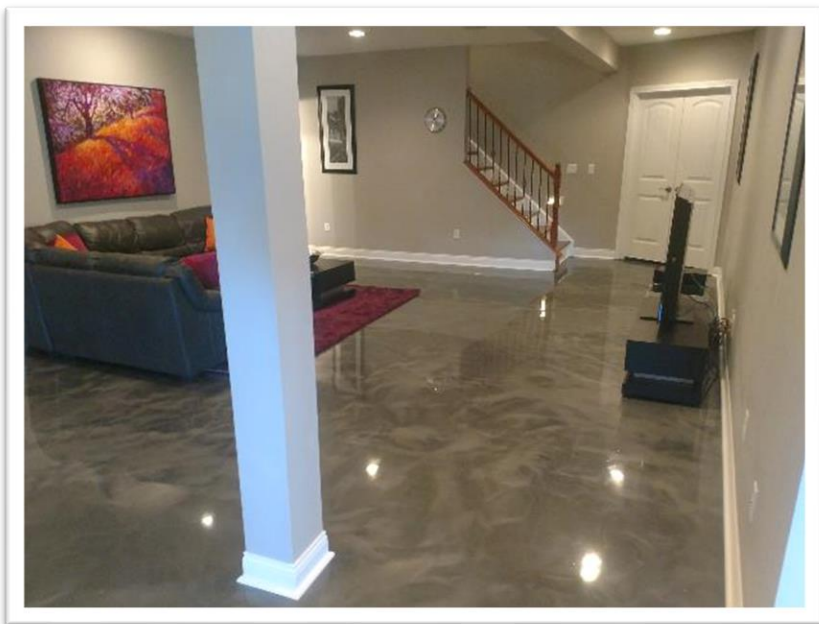

Promotions

Homebuilders have used our coating as a Promotion and as an Option offering:

- Incentivise a timely buying decision
- 100% made in USA means no supply chain issues
- Multiple color options
- Efficient routing creates cost savings we pass on to you
- Limited Lifetime warranty
- Add as an Option and earn revenues on markups from \$700 - \$1,200 per garage
