How Lifetime Green Coatings stands out from the rest of the competition.

Lifetime Warranty

Our professional installations provide a lifetime solution by creating a durable, and beautiful surface that lasts.

Low Maintenance

Resistant to chemicals and stains and will not deteriorate which makes it easy to clean.

100% Made in the USA

We manufacture our own material in the USA which ensures consistent delivery times and cost savings.

Eco-Friendly

Made with plant-based ingredients that lowers your carbon footprint.

100% Non-Toxic

Our coating uses no harsh chemicals, has zero VOCs and is odorless which makes it safe for your family and pets.

Durability

When your concrete settles, our coating flexes with it so that it doesn't crack and peel.
