BLACK MAMBA

**Can your glove
do this?**

BLACK MAMBA GLOVES were created in response to repeated demands from customers needing a disposable glove that was tough enough to withstand the tasks that their jobs required. No longer will you have to change your glove multiple times due to ripping or tearing. For gloves built for your tough tasks... it has to be Black Mamba Gloves.

Here are just a few examples.

Take a look inside to see all of our great products.

FEATURE: Proprietary NITREX® Polymer

BENEFIT: Superior strength and tear resistance.

FEATURE: Two-Ply Fusion Strength

BENEFIT: Our unique process fuses an added polymer to facilitate donning and comfort.

FEATURE: Chemical Protection

BENEFIT: 3 times the chemical resistance of latex or vinyl.

FEATURE: Made to Grip... Not to Slip

BENEFIT: Fully textured with Grip Rite finish, Mamba Gloves provide the precise contact when tactile sensitivity is a must.

Superior chemical resistance.

NITRILE - OTG - Series

Powder Free Industrial Strength Orange Nitrile Gloves with raised Torque Grip finish. Hi-Vis Orange color. 8.0 mils thick. Raised Grip. Allows for unsurpassed grip.
100 gloves per box.

NITRILE - BLU - Series

Patented Nitrex Polymer over 5.0 mils thick. Two-ply Fusion Strength. Fully textured with Grip Rite Finish. Superior chemical resistance. Made to be tough for the task at hand. Lighter color makes it easier to see certain chemicals and solvents.

NITRILE - 02-5503 - Series

MAMBA Snakeskin Black, Retail Size Large. 8.0 mils thick. Allows for unsurpassed grip. Unique retail package allows for grab and go sales.
Package 10 gloves per pack.

NITRILE - 02-5504 - Series

MAMBA Snakeskin Black, Retail Size X-Large. 8.0 mils thick. Allows for unsurpassed grip. Unique retail package allows for grab and go sales.
Package 10 gloves per pack.

Green Mamba - Series

Hi-Vis Green Color. Eco-Friendly Bio-Degradable nitrile material. Our Green Mamba Glove with ERT (Eco Relief Technology) was tested in biologically active landfills by independent certified laboratories that performed long-term landfill biodegradation testing in accordance with ASTM D5526. These tests have shown that Mamba's gloves with ERT achieved up to 26.5% biodegradation in just 390 days. Compared to standard nitrile gloves having a biodegradation time of more than 200 years, Mamba's gloves with ERT are clearly a more responsible choice for you and the environment.

LIVE LIFE HANDS ON

Black Mamba Disposable Latex Gloves

LATEX - PFX - Series

Thick Latex. 7 mils thick.
EZ Glide Donning System.
Ideal for paint and body shop
applications. 100 gloves per box.

LATEX - TMG - Series

14 mils thick.
Heavy Duty Professional Latex.
EZ Glide Donning System.
12" Length for extra protection.
Textured Grip for secure handling.
50 per box.

Black Mamba Shoe Covers

MTX-50 - Series

Mamba Trax Shoe Covers.
Heavy duty grade shoe covers.
Fits up to 15" work boot.
Premium package design
eliminates waste.
6 boxes of 50 (25 pair) per case.
Also available in Size XL

MTX-100 - Series

Mamba Trax Shoe Covers.
Heavy duty grade shoe covers.
Fits up to 15" work boot.
Premium package design
eliminates waste.
3 boxes of 100 (50 pair) per case.

resistant to abrasion, punctures
and tears. Ideal for construction,
HVAC, installation, plumbing, pest
control and other residential and
commercial service industries.

MTX-50XL - Series

Mamba Trax Shoe Covers.
Heavy duty grade shoe covers.
Fits up to 18" work boot.
Premium package design
eliminates waste.
Packaged 6 boxes of 50
(25 per pair) per case.

Black Mamba Non-Disposable Safety Products

CT5 - Series

Cut Resistant Level 5.
Made with ultra high molecular weight polyethylene fiber. Black polyurethane coating for superior grip. Great for HVAC and sheet metal applications.

ANSI Cut Rated A5

CT3 - Series

Cut Resistant Level 3.
Made with ultra high molecular weight polyethylene fiber. Black polyurethane coating for superior grip. Great for HVAC and sheet metal applications.

ANSI Cut Rated A3

IPT - Series

Heavy Duty Impact Protection Work Gloves. Made with polyester lining and synthetic leather palms. Thermal plastic rubber protection where it matters the most! Adjustable velcro closure. Hi-visibility yellow color.

CPT - Series

Cut Level 5 Impact Glove. Constructed with Ultra-High molecular weight polyethylene fiber. Sandy foam palm for superior grip control. Heavy duty TPR rubber protection on top of glove. Hi-Vis safety yellow with comfort fit adjustable strap.

NC - Series

Material Handling Glove. Made from ultra-cool stretch nylon, foam dipped with Nitrile for superior grip. Great for light industrial use and oily parts handling.

PC - Series

Light Material Handling Glove. PU dipped. Made from an ultra-cool stretch nylon. Great for small parts handling, warehousing, automotive and light assembly.

WPNC - Series

Doubled Dipped Water Proof Nitrile Gloves dipped in Premium Nitrile with a sandy coated finish. Excellent oil repellency provided by coated palm and fingers. Increased comfort, flexibility and dexterity are key features. Elastic cuff provides secure fit keeping dirt and debris away from your hands.

CL - Series

Cotton Leather Work Glove. Premium Pigskin Palm for excellent abrasion resistance and grip. Cotton top of glove for comfort and breathability. Shirred Wrist cuff for ease of donning. Gunn Cut Pattern. Used for general purpose applications.

MMXU - Series: Blue

Mamba Mechanics Glove - Blue. Dry Worx back along with vented fingers help keep hands cool and comfortable. TPR closure provides for a secure fit to wrist. Industrial grade hook and loop for speedy removal. Double-stitched, reinforced index finger construction for increased durability. Machine washable.

MMXB - Series: Black

Mamba Mechanics Glove - Black. Dry Worx back along with vented fingers help keep hands cool and comfortable. TPR closure provides for a secure fit to wrist. Industrial grade hook and loop for speedy removal. Double-stitched, reinforced index finger construction for increased durability. Machine washable.

Black Mamba New Products

Coveralls

Full Body Suit with Shoe Covers. One size fits most. Five pocket step in, step out design. Ideally suited for mold remediation, crawlspace, chimney work and many more dirty jobs. Packaged one per bag, 25 per case.

GRN - Series

Made from over 55% Recycled Polyester Liner (Recycled P.E.T. water bottles). Creates a comfortable and cool general-purpose glove, all while lowering our carbon footprint. Bettergrip in dry or light oil conditions with a sandy-foam nitrile finish. Great abrasion resistance. Excellent sensitivity and dexterity.

Chipper Glove - Long Cuff

Ideal for working with cable, jetter hoses and sewer snakes. Designed to allow the cables to roll off the raised heavy gauge PVC chips. Prevents glove from twisting on the end user's hand while reducing abrasion. Hi-Vis color for safety in darker areas. Made from durable PVC with a cotton liner that allows for easier donning application. Liquid proof shell.

HDV - Surveyor Vest

This Class 2 heavy duty surveyor vest has durable stitching reinforced at major stress points with heavy webbing to provide Guaranteed protection. The segmented heat transfer silver reflective tape with contrasting trim provide extra visibility in low light conditions. It has 4 tough pockets + large inside site plan back pocket.

MFG - Series

100% MicroFiber! Made from high quality MicroFibers that trap dust & debris and prevent the spreading of dust and debris while cleaning. Ideal for: Auto Detailing, Janitorial, Domestic and Plant Care. Available in 2 sizes: SM/MD Part #MFG-115 (yellow) LG/XL Part #MFG-125 (blue) Packaged 12 per sleeve. 72 pairs per case.

EVA - Series

EVA Rain Coat. High Quality Ultra Light EVA Raincoat. EVA is an elastomeric polymer that produces materials which are "rubber-like" in softness and flexibility. 60" Length. Snap Enclosures. .15 mil gauge. Anti- low temperature and Anti- Aging EVA material make this extremely durable. Portable single pack for ease of carrying.

BBQ Glove

A unique type of heat resistant, aramid fiber knitting + natural cotton knitting liner. 2 layer delay time of heat transfer to hands. Double-sided, silica gel, effective anti-skid surface. Instantaneous contact withstands 800°C degrees or 1472°F degrees. Applications: BBQ Party, Cooking. Sold by the pair.

Chipper Glove - Cuffed

Ideal for working with cable, jetter hoses and sewer snakes. Designed to allow the cables to roll off the raised heavy gauge PVC chips. Prevents glove from twisting on the end user's hand while reducing abrasion. Hi-Vis color for safety in darker areas. Made from durable PVC with a cotton liner that allows for easier donning application. Liquid proof shell.

ECV - Surveyor Vest

This class 2 warp knitted polyester vest wears well for any job. It is high visibility yellow/green and features a hook-and-loop closure on the front. The two vertical and two horizontal 2" silver reflective ensures enhanced visibility in dark conditions. Each item is individually packaged in a polybag for retail sale.
