

LUNAWOOD

RECONNECTING NATURE
WITH PEOPLE

Designed and crafted with over 20 years of expertise, Lunawood offers sustainable and long-lasting wood solutions for interior and exterior spaces.

Lunawood is best known for dimensional stability, durability, and natural production process, Lunawood products provide high structural integrity as well as a visual harmony to all environments. Our two Lunawood Collections, the Nordic Collection and the new North America Collection, crafted in Cleveland Georgia, offer versatile solutions to enhance exteriors, landscaping projects, and interiors in a most sustainable and healthy manner - without chemicals.

Lunawood provides a wide selection of premium tongue and groove profiles for cladding and panelling, battens for decorative wood structures and surfaces, and decking boards with a hidden fixing system.

Luna Arctic Layer 1x6 Brushed

NEW PRODUCT NOVELTIES INFUSED WITH NORDIC DESIGN

Visit Lunawood at Booth C7750 in the Central Hall to discover the stunning Luna Arctic product range! Perfect for both outdoor and indoor applications, it offers the versatility to create seamless transitions between spaces by using the same beautiful grey product inside and out.

At our booth, you'll also be among the first to explore the new and impressive North America Collection, which we are launching at the event.
