Railing System

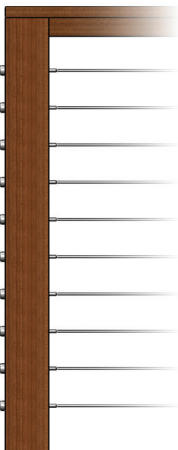

JULY 2024

Atlantis Rail offers a complete line of stainless steel and aluminum cable railing systems. This innovative collection of low maintenance railings offers unobstructed views capable of fitting any indoor or outdoor, commercial or residential designs.

Fill out the Express Quote Request & Layout Form on the back of this brochure for a quick and accurate quote. Send your filled out form to sales@atlantisrail.com.

The form is titled "EXPRESS QUOTE REQUEST & LAYOUT". It includes fields for Name, Address, Phone, Email, Project Name, and Project Location. There are checkboxes for "New Installation" and "Replacement". A section for "Notes" is provided. A diagram shows a railing layout with "RUN" and "RISE" dimensions. The Atlantis Rail Systems logo is at the bottom right.

***Retail pricing as of July 2024. Average linear cost per foot will vary based on the number of cable runs/railing sections. Several short runs will cost more than long runs.**

HandiSwage™

36" \$40-\$55 In. ft.* | 42" \$60-\$70 In. ft.*

- Primarily through-post hardware style
- Fittings are made from 316L stainless steel and factory electro-polished
- Most hardware is concealed within post for an unobstructed view
- 1/8" 316L Stainless steel cable
- Surface mount tensioners are available for stairs and angles up to 45°
- Variety of fittings are available to fit any indoor or outdoor design
- Cut-in-the-field capabilities for installation using hand swage tools
- Most affordable cable railing in the market
- Additional accessories: ADA handrails and Micro Star™ LED lighting

RailEasy™

36" \$50-\$65 In. ft.* | 42" \$70-\$80 In. ft.*

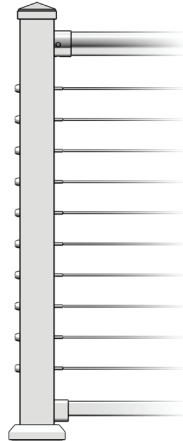

- Surface mount & through-post hardware styles available
- 5/32" 316L Stainless steel cable
- Fittings made from 316L stainless steel & electro-polished
- Compression fitting, attaches to cable using simple hand tools
- Variety of fittings available to fit any indoor or outdoor design
- Cut-in-the-field capabilities for an easy installation
- Use with all wood, composite and vinyl
- Slotted base design for stairs and angles up to 45°
- Clean look with easiest retensioning system in the market
- Additional accessories: ADA handrails & Micro Star™ LED lighting

Nautilus

36" \$75-\$95 In. ft.* | 42" \$125-\$165 In. ft.*

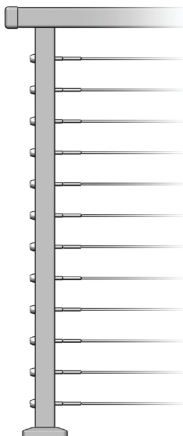

- Marine grade stainless steel 2" diameter rails
- Available with or without a bottom rail
- Choice of marine grade stainless surface mounted RailEasy™ fittings or through-post HandiSwage™ fittings
- 5/32" or 1/8" 316L Stainless steel cable
- Customer supplied posts with optional vinyl sleeves
- Additional accessories: ADA handrails, Micro Star™ LED lighting, glass infill
- Stainless rails finish: highly polished and brushed

NOVA
