

# EMBERS

## PROTECTION SERVICES

*Protecting Properties & Communities From Wildfires*

**BE PROACTIVE – BE PREPARED – BE IN CONTROL**

**THE FUTURE OF PROPERTY INSURANCE ISN'T JUST ABOUT COVERAGE  
IT'S ABOUT PREVENTION**

**ABOUT YOUR CONSULTATION**

During our meeting, our expert team will introduce you to our patented EPS Autonomous Wildfire Defense System (U.S. Patent #11247087) that has successfully protected properties during both the Franklin and Palisades fires.

**WHAT WE'LL COVER**

- A comprehensive assessment of your property's specific wildfire risks
- Introduction to the EPS smart technology
- Review of our proven success cases

**EPS Portal system featuring:**

- 24/7 real-time wildfire monitoring
- Early warning detection with automated alerts
- Autonomous activation requiring no human intervention
- Dual defense system (structure and perimeter protection)
- Customized protection strategy for your property
- Backup power systems and constant pressure technology
