Coverstar Automatic
Safety Pool Cover

Discover Our *Expert Craftsmanship*

Premium Materials:
Made from the same material as luxury yachts and boats, our pools are the strongest in the industry.

Smooth to the touch:
The non-abrasive crystite gel coat surface feels silky to the skin for gentle experience every time.

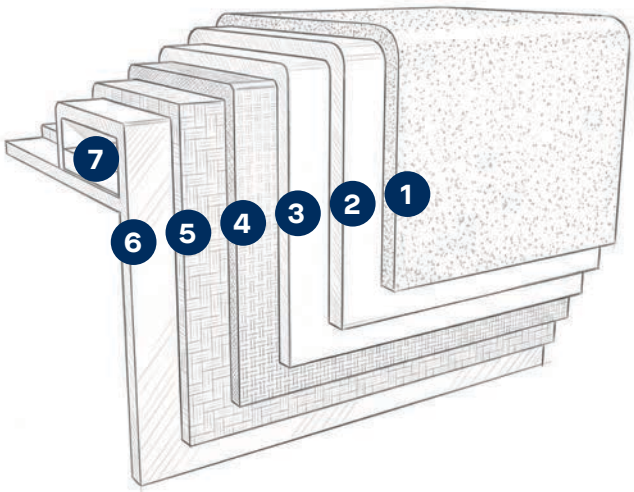

Quick, effortless installation:
Your dream pool becomes a reality in just 3-6 weeks—versus 3-6 months for concrete pools.

Carefree maintenance:
Our crystite gel coating resists algae growth, reduces maintenance costs, and keeps your pool sparkling with minimal effort.

Peace of mind:
Easier and less costly to repair, our pools come with a limited lifetime warranty.

THE LATHAM DIFFERENCE

1 Crystite Gel Coat
2 Vinyl Ester Resin
3 BiMax Radius Reinforcement
4 Carbon-Infused Technology
5 Aramid Fibers
6 Woven Roving and Marine-Grade Resin
7 Closed Reinforced Beam Construction

Additional Features

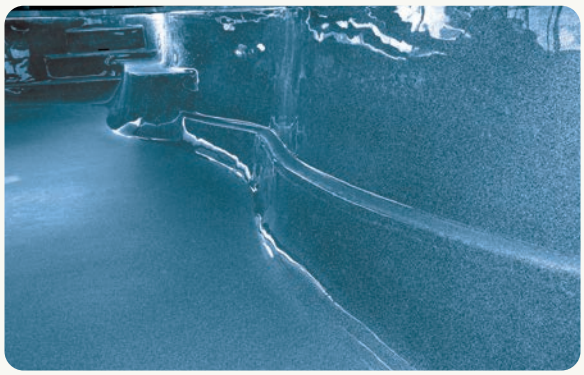

LED Lighting

From soft evening glow to vibrant nighttime energy, customizable LED lighting offers full control over brightness and color, so your pool becomes a dynamic space that reflects the moment.

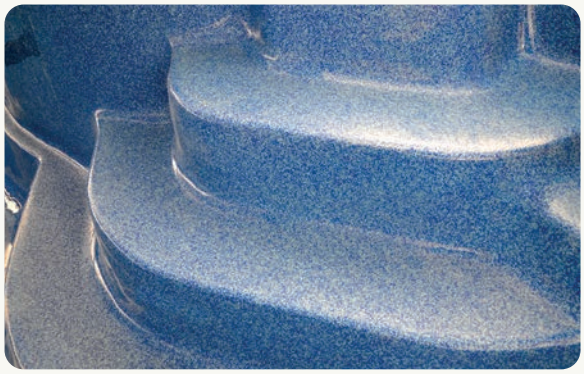

Cascades and Bubblers

Introduce movement, sound, and serenity with engaging water features. Cascading waterfalls and playful bubblers bring a spa-like feel and a touch of wonder to your pool environment.

Safety Ledges

Discreetly built into pool walls, safety ledges offer extra peace of mind. They provide a comfortable foothold for new swimmers and a welcome pause point for everyone.

Textured Steps/Seats

Delivering both comfort and confidence, non-slip surfaces make entering, exiting, and relaxing in the pool feel effortless for swimmers of all ages.

Acting like a passive solar heater, a Coverstar Automatic Safety Pool Cover cuts costs and conserves energy.

Up to 90% reduction in water evaporation

Up to 50% reduction in electricity costs

Up to 70% reduction in pool heating costs

Up to 60% reduction in chemical usage

Convenience:

Easy to operate with a simple press of a button, plus text or email alerts when the cover is in use.

Design:

Ten vibrant color options to complement any pool type and backyard aesthetic.

Navy | Royal Blue | Light Blue | Aqua | Forest Green | Tan | Mocha | Grey | Charcoal | Black

Secure Your Investment *All Year Round*

Manual Solid

Designed for off-season protection, the Manual Solid Safety Cover offers a secure, low-maintenance solution. It blocks 100% of sunlight, reduces debris, and leads to less cleaning after the colder months.

Manual Mesh

The Manual Mesh Safety Cover provides excellent debris protection with its fine mesh construction, offering long-lasting durability and reliable seasonal coverage with lower up-front costs.

Safety Information

At Latham, your safety—and the safety of those you love—is our top priority. To ensure a secure and enjoyable pool experience, please keep the following guidelines in mind:

- Always supervise children, guests, and inexperienced swimmers when the pool is in use.
- Maintain your pool regularly and never use it if any component is damaged or missing.
- Install and maintain appropriate barriers such as fencing with self-latching gates and safety covers to prevent unsupervised access.
- Use safety features including safety ropes, approved drain covers, no-diving signs, and adequate lighting for nighttime swimming.
- Follow all manufacturer instructions, local codes, and regulations for installation and safety equipment use.
- Read and keep accessible all pool safety materials provided with your pool, including safety handbooks and warning signs.
- Consider enrolling in CPR and pool safety programs offered by local organizations such as the American Red Cross.

Visit our website for comprehensive safety guidelines to help protect your pool and everyone who enjoys it.

lathampool.com/poolsafety

NOTICE: The manufacturer stands behind every product they produce pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent businessperson and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/ builder/contractor.

The specifications in this brochure were believed to be true at the time of printing. However, specifications, standard equipment and options are subject to change without notice.

The manufacturer does not manufacture slides, diving boards, or any other diving equipment. Any use of such equipment must be in strict compliance with the equipment manufacturer's specifications, Pool and Hot Tub Alliance (PHTA) Standards, as well as local building codes and regulations.

In some pictures, the safety line rope and floats, and safety signage have been removed from the pool for photographic purposes. The safety line should be permanently attached at all times. We also urge you to use handrails and grab rails in accordance with the PHTA Standards.
