

Century Grab n Go welded panels –
A durable, safe, hassle free welded
panel solution that offers more time for
the finer things in life – like great views

6' & 8' FOOT GRAB N GO WELDED PANELS

Our panels fit easily into an SUV or pick-up truck. Individually packaged and precision cut to simply install between posts with no cutting or fuss. They can easily be cut down to size onsite with a chop saw or a reciprocating saw. Whether you are a pro contractor, or a DIY'er, Century Grab n Go panels install in minutes.

Panels are sold in crates:
Standard crate = 34 panels per
Mini crate = 15 panels per
36" & 42" railing heights

- Ultra-easy installation
- Fully code compliant
- Includes support leg
- Pickets are welded
- Made in North America
- Comes in all 3 Century colors or custom combinations

- Multi-faceted use (guard railing, fencing, pet runs, daycares)
- Interior or exterior applications / Single family or Multi family (Posts, Fittings, and Fasteners sold separately)
