

PREMIUM CURB MOUNTED FIXED SKYLIGHT

FXC is a fixed curb-mounted skylight with an edge-to-edge glass exterior and a finished white interior frame. Designed for flat and sloped roofs, it brings natural light into the room while giving the ceiling opening a clean appearance.

Features:

- infinity glass exterior for a virtually frameless surface
- low-emission and heat-reflecting double glazed glass
- warm spacer for increased condensation resistance
- internal gasket system directs condensation outside the skylight structure to protect the frame and drywall
- suitable for curb made of 2"x4", 2"x6" or 2"x8"
- internal and external accessories available for purchase
- suitable for roof pitches between 0°-60°

Cross section of FXC on a curb.

FAKRO skylights are designed and manufactured to comply with applicable IBC, IRC, and IECC requirements. Where applicable, products are tested and certified to NFRC and CSA standards. Certification may vary by skylight type and model; contact us for specific product details.
FAKRO glazing units feature highly selective solar glass and meet NFRC, IGCC (Insulating Glass Certification Council), and IGMA (Insulating Glass Manufacturers Alliance) requirements, including initial and post-gas-fill weathering certification.

The FAKRO FWU 24/46 egress roof window has been tested in accordance with IRC Sections R310.1.1 and R310.1.2 and is certified as a Fire Exit (Egress) roof window.

Certificates are available at www.fakrousa.com
