3. Follow the program requirements
4. That's it! Your energy use is guaranteed for the next three years!

WHY YOUR BUILDER CHOSE BURGESS

Burgess Construction Consultants, Inc. was founded in 1986 to work exclusively with home builders as a third-party inspection and energy services company. Your **energy efficient** home has been evaluated through rigorous plan reviews and performance testing. Now, with the added layer of ecoENERGY+, your energy use is guaranteed for three years.
