Sanitary Wares

Company profile

SUNLAND KITCHEN&BATH CO.,LTD. is a joint-venture company. Our company covers an area of 40000 square meters and has more than 200 employees. Our factory is located in Tonglu economic development Area in Hangzhou, We are one of the professional sanitary ware manufacturers in China. Our company has been dedicated to the computerized steam shower rooms, luxurious shower cabins, luxurious massage bathtubs, shower enclosures, shower panels and other relevant products.

In order to consolidate the advantage in the market competition, our products are made of the high strength safety Toughened Glasswith high quality and all styles of products have gained the approval of ISO9001 quality system, BSCI, CUPC, CE approval .

SUNLAND KITCHEN&BATH CO.,LTD. has excellent ability of product developing and producing. The excellent management ability of our leadership maintains the continuity of bringing force to the new products and meeting the requests of our consumers.

Our products are exported to Europe, North American, Australia, the Middle East, and Asia. Meanwhile, we have established agents and sales network in many major and middle cities around the world.

Our company always adheres to the principle of "Service First and Customers First", and tries our best to provide the first-class products and the best service for our customers. We warmly welcome visits from our customers and sincerely hope to establish strong and long-term business relationship and friendship with any possible interested party. Should you have any interest or requirement, please do not hesitate to contact us and we are sincerely looking forward to continuously serving customers with high quality products and sharing common prosperity with our valued customers.

When we started planning our production facilities we made a commitment which has been the guiding principle for our business activities ever since: a commitmet to quality.

Show Room

We are trying to hold a moment of stillness-time stalling by the classical design and comfortable vision,disinterring a past era.
