

SKYVIEW PERGOLAS

Skyview Pergolas by Outdoor Elements Let the Sun Shine In

Outdoor Elements Skyview Pergolas make a design statement in your outdoor living space, bringing a sense of modern style to your outdoor relaxation and entertainment. Imagine your backyard as an inviting retreat to lounge by the pool, practice yoga outside, or invite friends and family for cocktails under the stars.

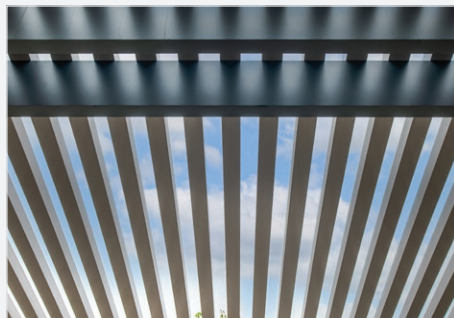

A Skyview Pergola expands the indoor/outdoor living possibilities for your home or business, making your space feel open, rejuvenating, and connected to nature.

Benefits of Our Skyview Pergolas

- **Luxury and Quality:** Enjoy all the luxury, quality, and durability of our Skyview line with the added benefit of natural simplicity.
- **Enhanced Shade and Cooling:** The Skyview can be adapted with a series of different sized beams or with our 3x3 fixed lattices to allow a consistent amount of shade and light in while significantly reducing heat and making your outdoor space more comfortable.
- **No Motor:** Simple and maintenance-free design with no motor or automated adjustments needed.

Customization options include:

- Optional Innovative lighting: Integrated LED, LED Colors RGB, LED post lights, Recessed LED Lights - See Our Lighting Options
- An array of classic and designer colors - See Our Color Options
- Controlled using any smart device, with our custom app or with our proprietary remote control
- Custom built for you in any shape or style
- Motorized screens for additional shade and privacy
- Professionally installed heating systems
- Designer fans
- Personalize your Skyview Pergola to match the existing design and style of your home or business with corbels, post wraps, and cantilever upgrade options.
