THE NEW ERA OF INTELLIGENT HAND DRYERS

Touchless induction start
Hot and cold double mode switch

FAST HEATING TECHNOLOGY

Heating wire fast heating,
high temperature resistant materials,
safety performance greatly improved

PHYSICAL NOISE REDUCTION TECHNOLOGY

Makes full use of the principles of air science,
grid duct design。

Warm in winter and cool in summer
Hot and cold switching

KEEP IMPROVING DAMANDING DATAILS

Selected materials

ABS material is a good general purpose material at present, light and tough, wear resistance, high flexibility

Large diameter air outlet

Evenly covering hands in the air, comfortable and comfortable, equipped with high temperature protection security
