VINdustry wine pegs in gold

THE GALLERY

This combination art gallery/wine room was a perfect fit for the Float wine display system. Bottles are installed in a sparse and staggered configuration with both label and cork forward orientation.

Bottle Capacity: 41

Product: Float Wine Racking

Finish: Light (Satin Chrome Hardware, Clear Glass)

Racking Cost: \$3,793 USD

THE CURVE

Curved and rectangular VINdustry Peg & Panel Kits combine to create a stunning feature wine wall display. LED accent lighting amps up the wow-factor.

Bottle Capacity: 72

Product: VINdustry Peg & Panel Kits (Curved and Rectangular)

Finish: Glossy White Panels, Gold Pegs

Racking Cost: \$2,516 USD

Note: Kits available in other finishes and 2 or 3 bottle peg depth for double or triple capacity.

THE GLASS CABINET

This showpiece glass wine and liquor cabinet features gold VINdustry wine pegs, 3 bottles deep for maximized storage, while maintaining a minimalist aesthetic.

Bottle Capacity: 117

Product: 3 Bottle Deep, Label View VINdustry Wine Pegs

Finish: Gold

Racking Cost: \$1,365 USD

Note: Pegs available in other finishes and 1 or 2 bottle depth.

THE SHOWCASE

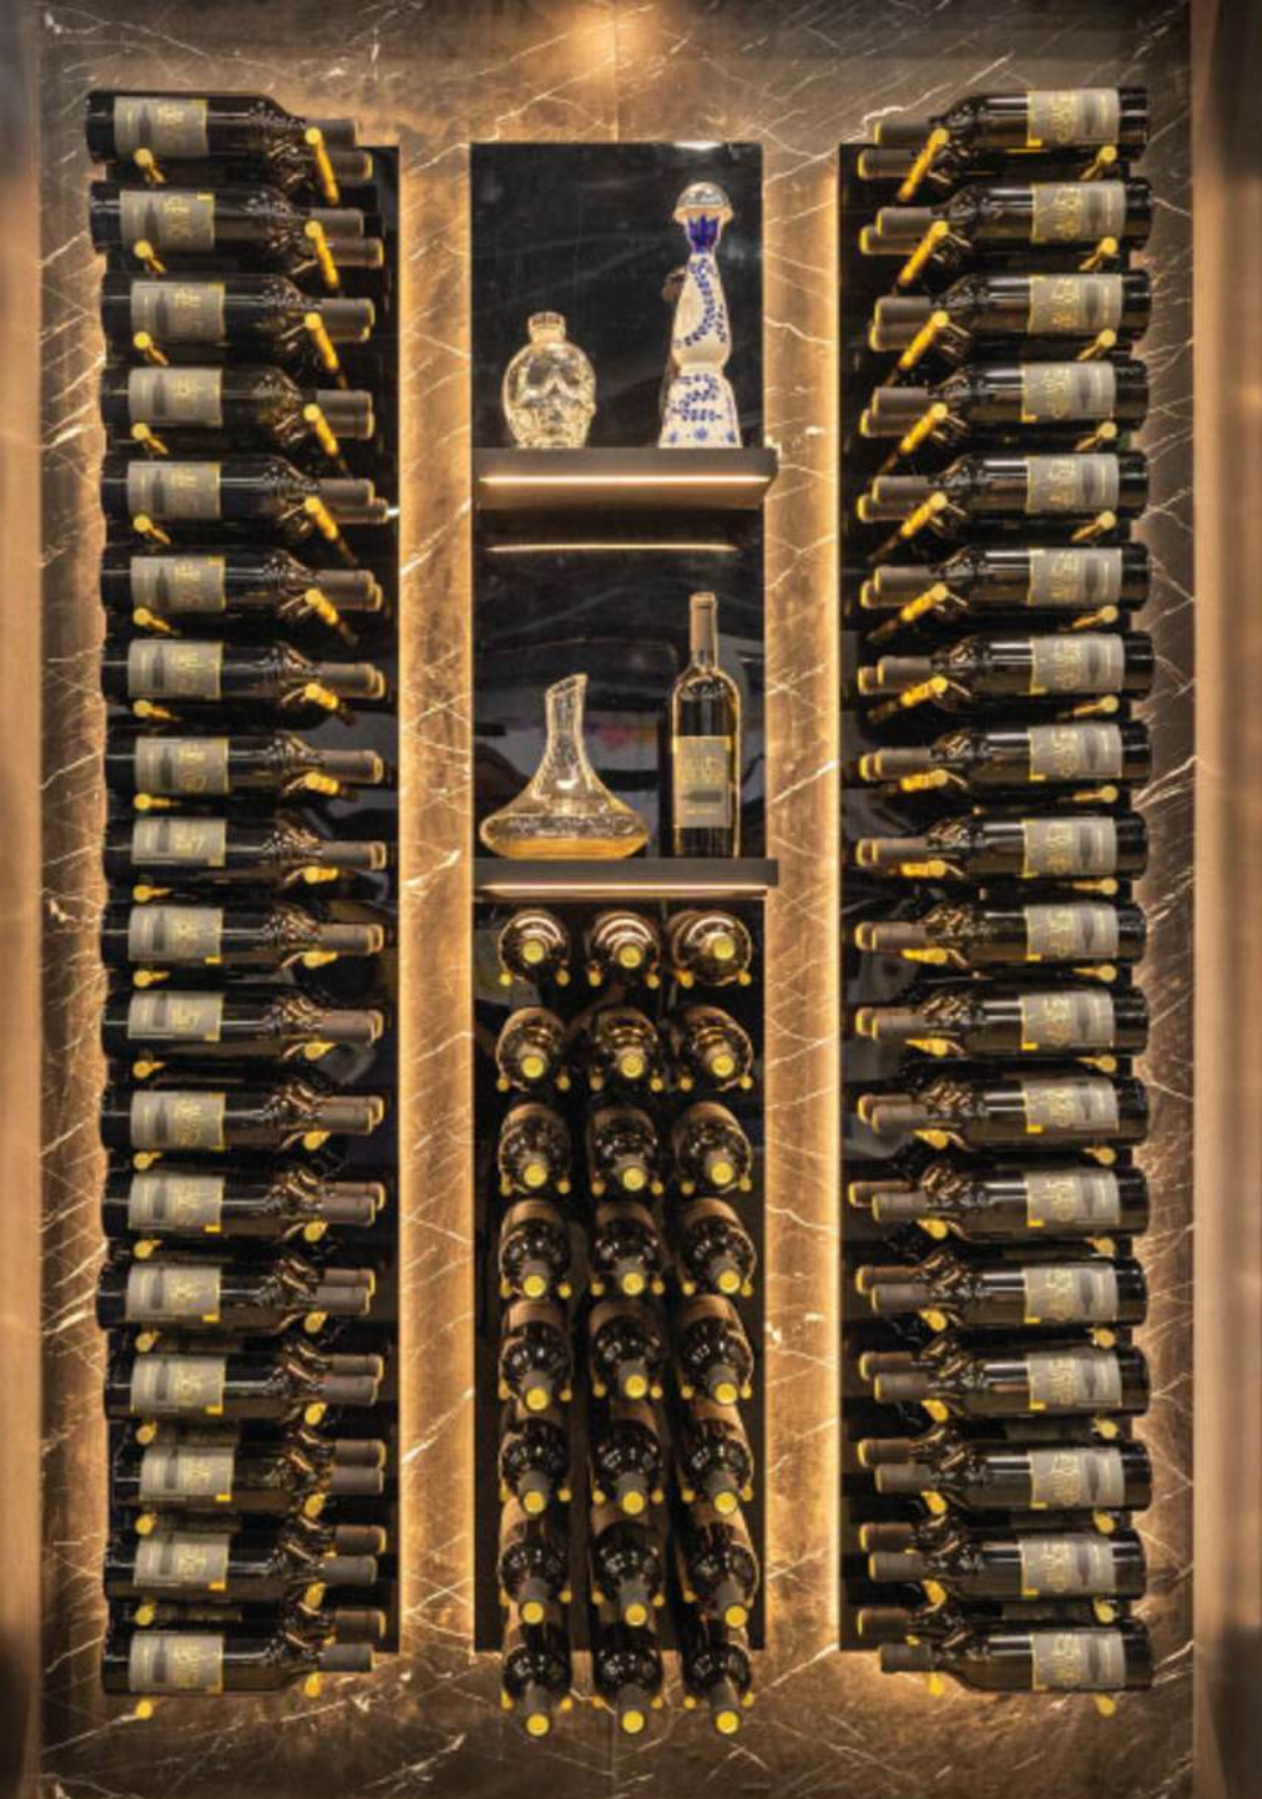

Float wine racking is at home in this glass showcase unit.
Let your wine display double as an art installation.

Bottle Capacity: 40

Product: Float Wine Racking

Finish: Light (Satin Chrome Hardware, Clear Glass)

Racking Cost: \$3,036 USD

THE WINE BAR

Moody, yet bright; this wine wall and bar set-up features VINdustry peg and panel kits mounted on standoff panels with LED perimeter lighting.

Bottle Capacity: 96 + shelving

Product: VINdustry peg and panel kits

Finish: Black Gloss Acrylic Panels and Gold Pegs

Racking Cost: \$2,348 USD

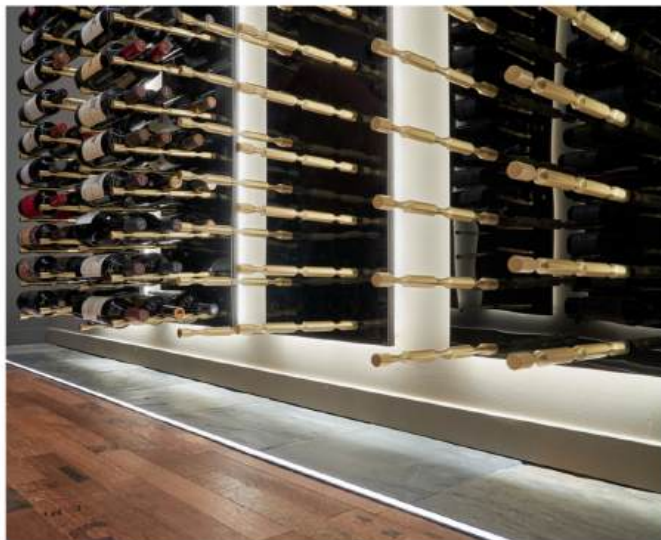

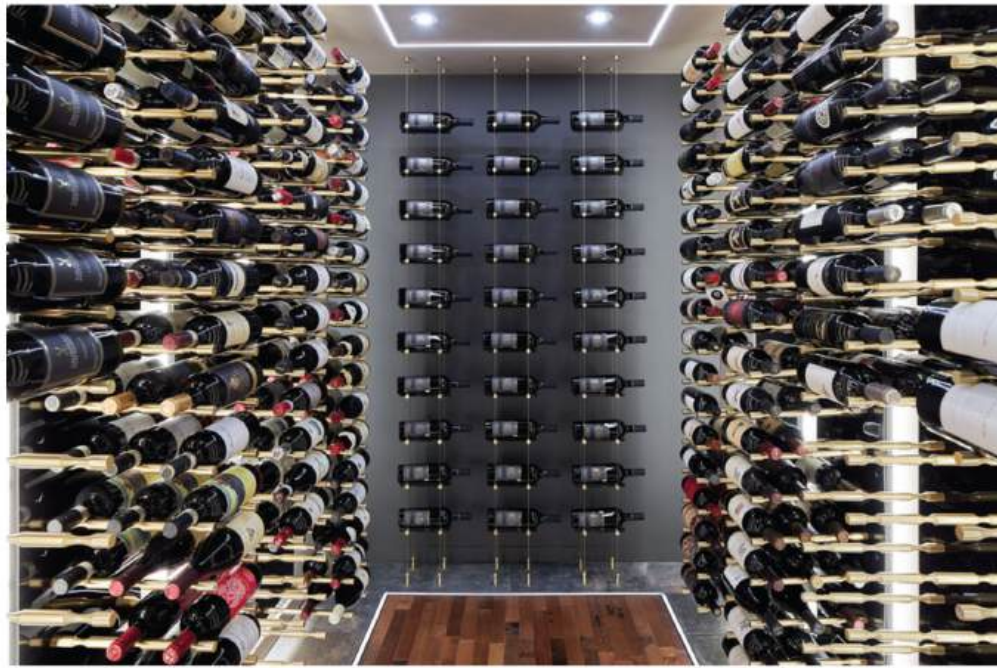

For those that fancy a glass of wine, or something a little stronger, this floating bar pulls double duty.

Bottle Capacity: 24 + Liquor Shelving

Product: Float Wine Racking & Shelving

Finish: Dark (Matte Black Hardware, Grey Glass)

Racking Cost: \$2,530 USD

THE GOLDEN GLOW

This warm, yet modern wine cellar features gold hardware, grey glass and glossy black panels to store a surprising amount of wine. Dimmable LED accent lighting provides a complementary glow and truly sets the mood.

Bottle Capacity: 624

Product: VINdustry Wine Peg & Panel Kits and Float Wine Racking

Finish: Float Gold with Grey Glass, Glossy Black Panels, Gold Pegs

Racking Cost: \$12,299 USD

THE FEATURE

Bottle Capacity: 111

Product: Float Wine Racking

Finish: Light (Satin Chrome Hardware, Clear Glass)

Racking Cost: \$8,467 USD

Mixed materials create a feature wine display oozing with texture and movement. Float wine racking makes the bottles the star attraction.

Both wine and liquor bottles as well as glassware appear as if suspended in air with the Float wine display system and shelving unit. Gold hardware and grey glass combine for a minimalist, yet sophisticated display.

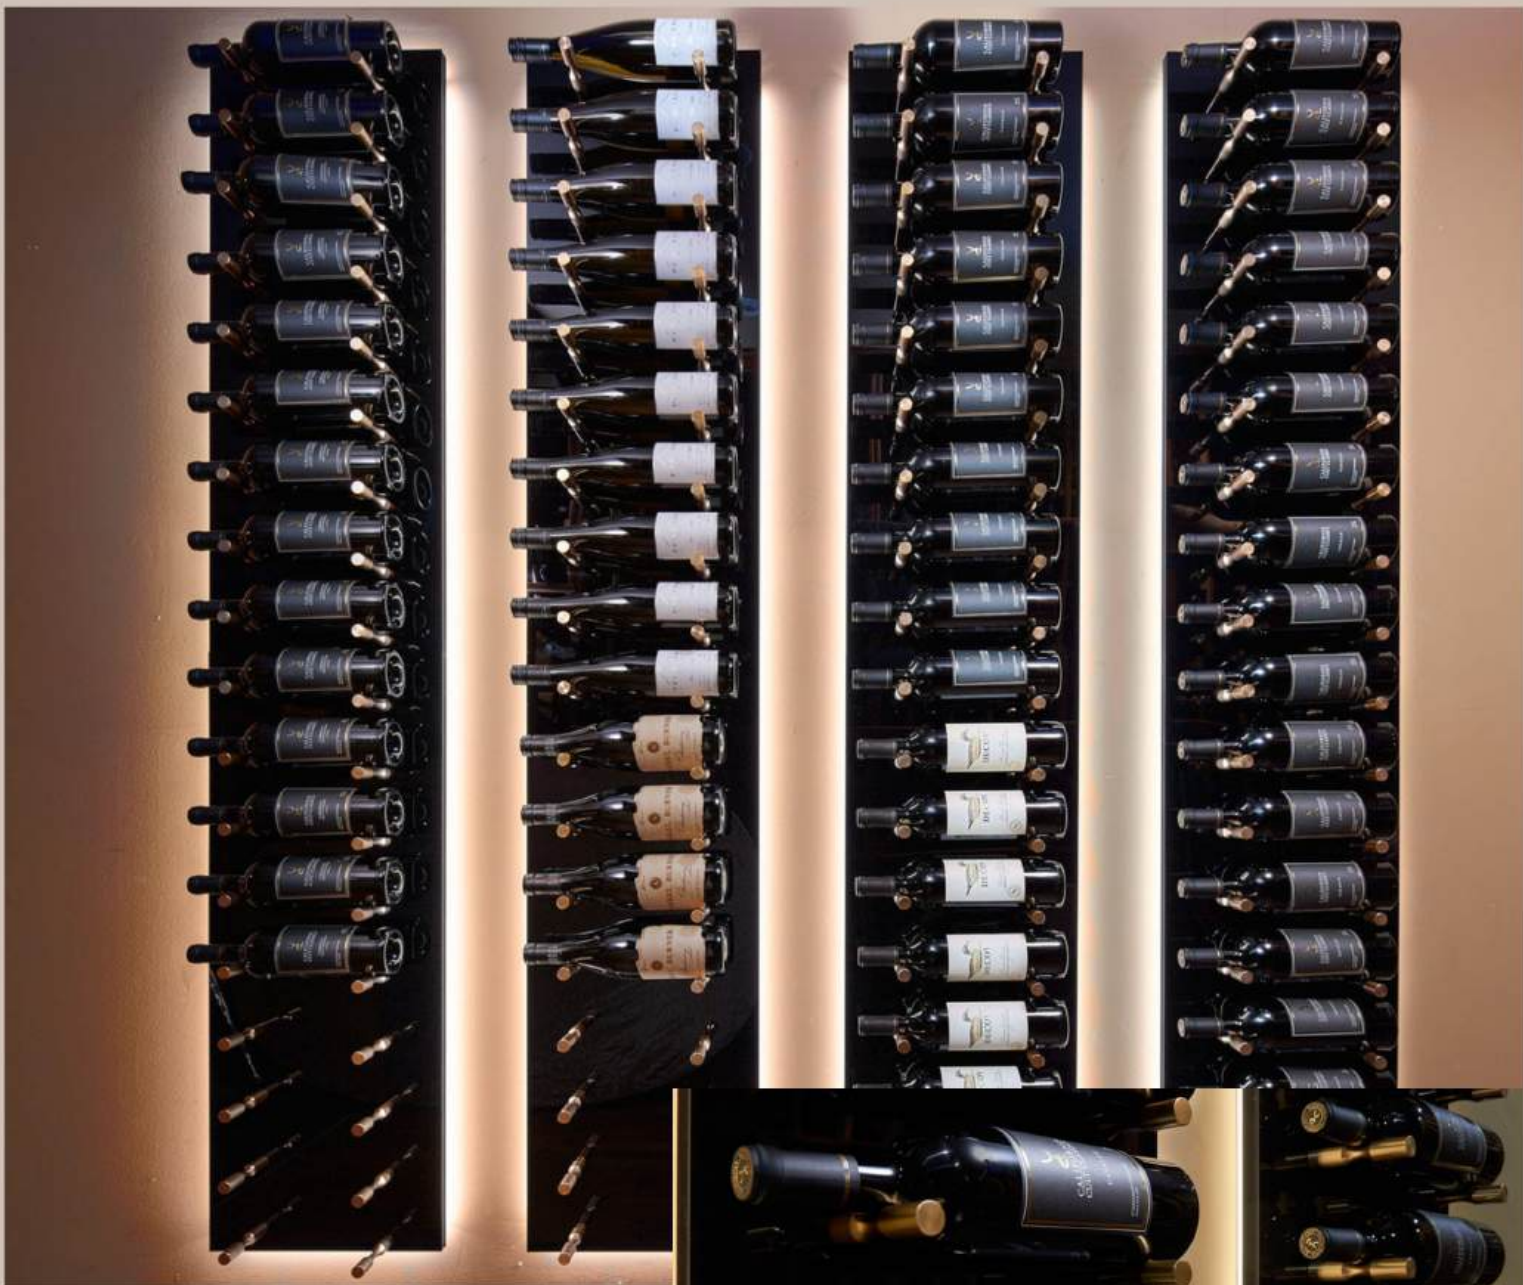

THE MINIMALIST

Bottle Capacity: 42 + shelving

Product: Float Racking

Finish: Gold hardware, grey glass

Racking Cost: \$5,054 USD

THE WINE WALL

This simple wine wall makes use of off-the-shelf VINdustry Peg & Panel Kits but dresses them up with customized stand off panels and LED accent lighting.

Bottle Capacity: 72

Product: VINdustry Peg & Panel Kits

Finish: Black Gloss Acrylic, Gold Aluminum

Racking Cost: \$2,520 USD

THE CONTEMPORARY

Streamlined and simple: Float racking makes a bold statement in this stark, contemporary space.

Bottle Capacity: 28

Product: Float Racking

Finish: Light (Satin Chrome Hardware, Clear Glass)

Racking Cost: \$2,236 USD
