

## When to Order

**01 In Stock Supplies** can vary in availability as Natural Poplar Bark can only be harvested 3 months out of the year. You can order in stock supply any time of the year while supplies last.

## **Pre-Order for Upcoming Harvest**

**02**

means we take your order, a 10% nonrefundable deposit is made, and we guarantee your square footage for the next harvest season at the projected lowest price. Pre-Orders can ship anywhere between June-December every year. Pre-Order at any time for an upcoming harvest that starts in May of every year.

## Why Choose Us

We are a family business based out of Western North Carolina and we pride ourselves on **high quality, great customer service,** and provide a **sustainable natural product.**
