## HELP YOUR CLIENTS RUN A BETTER BUSINESS

### SEE THIS WITH YOUR BUILDER CLIENTS?

- X** Poor cashflow visibility ?
- X** Disorganized job financials ?
- X** Inaccurate reporting & forecasts ?
- X** Admin overload & burnout ?
- X** Reactive decision-making ?
- X** Compliance and documentation gaps ?

### THERE'S A BETTER WAY.

JACK App gives builders clarity, control, and structure — so you can do your job better too.

### WHAT PARTNERS SEE WITH JACK APP USERS

- **Cleaner job financials**
- **Better reporting conversations**
- **More predictable cashflow**
- **More engaged, less reactive clients**

# WHY PARTNERS RECOMMEND JACK

## FOR BUILDING COACHES & CONSULTANTS

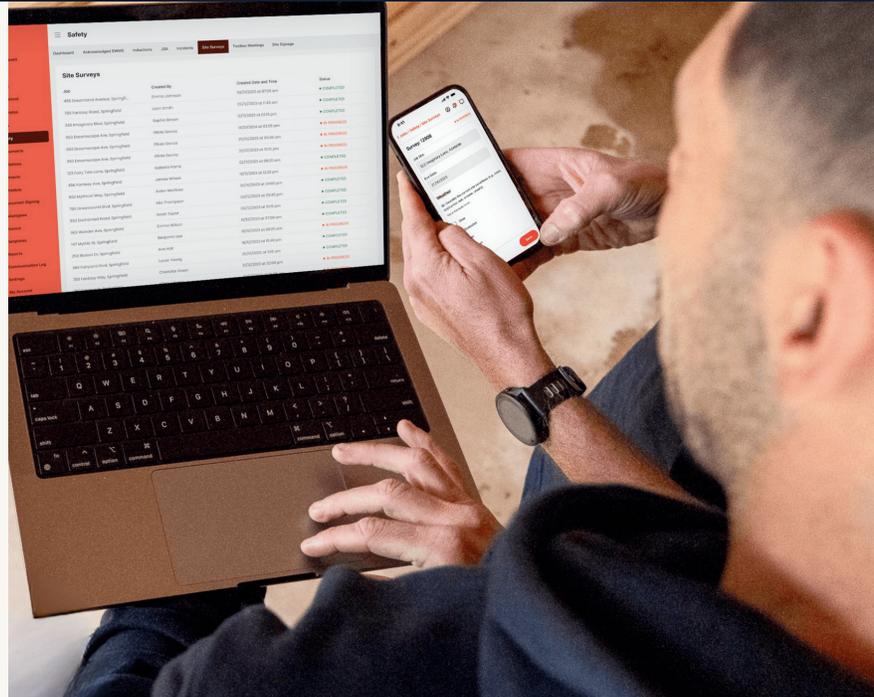

- Visibility across pipeline, jobs, and margins
- Easier KPI tracking
- Clients who execute, not just plan

## FOR ACCOUNTANTS & BOOKKEEPERS

- Job-level financials & WIP reporting
- Real-time cashflow forecasting
- Cleaner invoicing and data consistency
- Less spreadsheet chaos

## FOR INSURANCE BROKERS

- Better documentation & records
- Clear job tracking and reporting
- Improved professionalism and risk management

## WHY PARTNERS CHOOSE JACK APP?

- **More valuable advisory conversations**
- **Better-prepared builder clients**
- **Less friction, fewer surprises**
- **A system built around real builder workflows**
