# About Golden Diamond Group

Founded in 2002, Golden Diamond Group originated as a trusted freight forwarder in China. In 2014, the group strategically extended its business footprint to Nigeria. Today, we proudly operate five specialized factories, focusing on high-quality sanitaryware and ceramic products: Vitreous China toilets, basins, ceramic tiles, plastic toilet seats, flushing valves, and more.

Our Nigerian facilities span a vast 1.0 million square meters, where over 5,000 skilled workers, combining expertise from China and local Nigerian talents. Equipped with top-tier infrastructure, including 2 large tunnel kilns, 1 shuttle kiln, 35 high-pressure casting lines, and over 200 micro-pressure casting lines, we boast an annual production capacity of 6.5 million pieces, meeting market demands efficiently.

Quality is at the heart of everything we do. We've assembled a skilled technical team with decades of industry expertise, paired with a rigorous quality assurance team, to safeguard every product. Our factory holds ISO 9001 certification, and all items are designed and manufactured to align with global standards like CUPC, CE, and UKCA to ensure reliability for customers worldwide.

After years of dedicated development, we have solidified our position as Nigeria's largest Vitreous China manufacturing enterprise. Looking ahead, we're eager to expand our global footprint further, bringing our trusted products and solutions to more clients across the world.
