DISCOVER BLUE BEAR

STOP using methylene chloride, mineral spirits, muriatic acid and other dangerous chemicals on the job site. NOW.

Franmar's BLUE BEAR® line of professional cleaners and coating removers replaces those toxic chemicals and hazardous petroleum-based ingredients with powerful, versatile alternatives made with American-grown soybeans.

BLUE BEAR's break-through formulas do a superior job of penetrating coatings, adhesives, grease, asphalt and more. Contractors, remodelers and other professionals trust our products because they're easy to use and get the job done right.

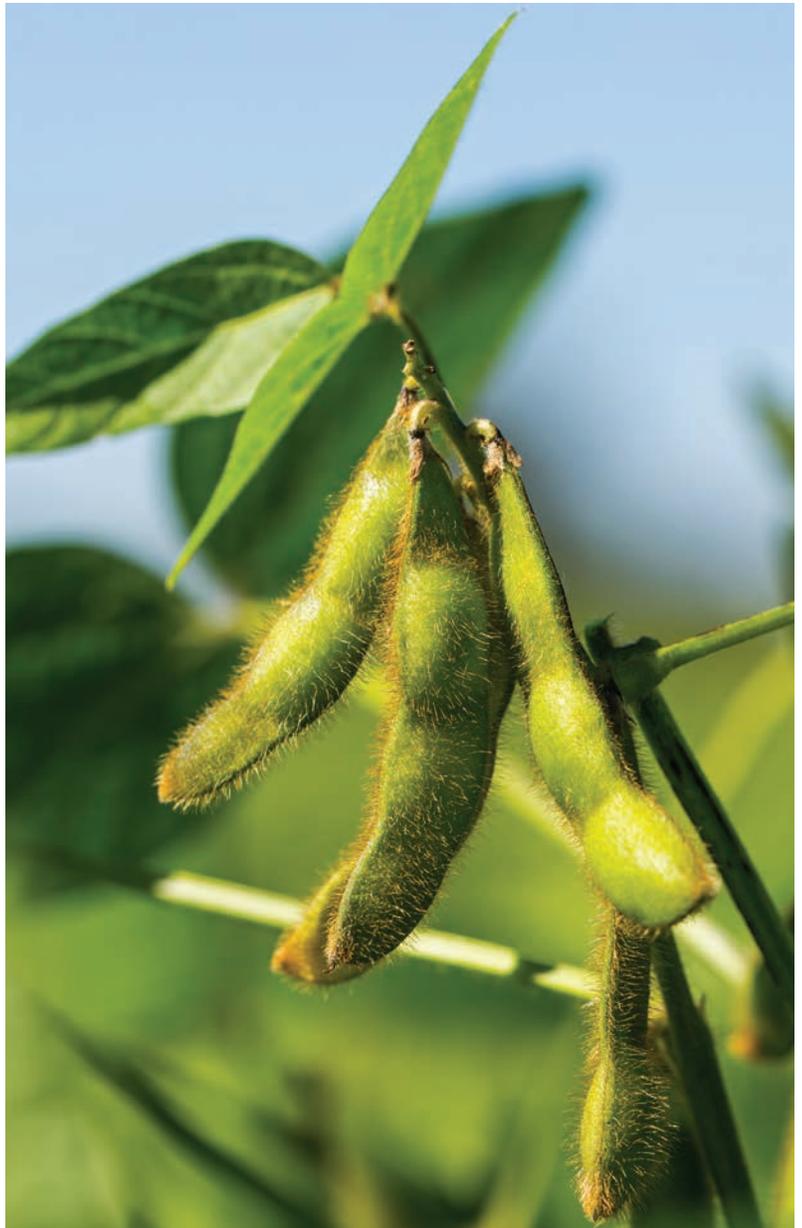

And workers no longer have to risk their health to do their jobs.

Whether you need to remove mastic, strip paint, get rid of graffiti or just keep your equipment free of dirt and grime, BLUE BEAR has a product that will meet your needs. Most products are also available in sizes up to 275 gallons.

Let us show you what BLUE BEAR can do.

Made with 100% American-grown soybeans

Coating Removers

600 Series

BLUE BEAR's professional coating removers work on almost any surface imaginable - including paint, urethane, acrylic and more- and can strip multiple layers in a single application. They can also encapsulate lead-based paint, allowing for its safe removal.

User tip: After removal is complete, clean-up with Emerge 700DG Degreaser (pg. 9)

605PRO

with Safenol

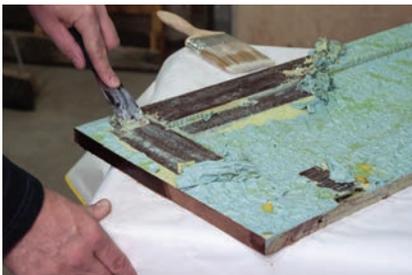

Multipurpose Coatings Remover

- Removes multiple coatings with one application
- Easy-to-use gel formula
- Low-odor and non-caustic
- Ideal for use in occupied areas

Available sizes: Quart, gallon, 5 gallon

"This is a solid option for a much safer, less toxic, low-fume paint stripper."
- Kathryn K.

Soy Gel

600GL Coatings Remover

- Provides 3X the coverage of traditional petroleum-based removers
- Low-odor and non-caustic
- Tried and true customer favorite
- Made with American-grown soybeans

Available sizes:
Quart, gallon, 2.5 gallon, 5 gallon

"Best paint stripper I have ever used. It is easy to apply, works very well and has little to no odor!!" - C.B.B.

Soy Gel Spray

610SP Sprayable Coatings Remover

- Specially formulated for HVLP and commercial sprayers

Available sizes:
Quart, gallon, 2.5 gallon, 5 gallon

Soy Gel Liquid

620LQ Liquid Coatings Remover

- Suitable for dipping coated tools and other metal parts

Available sizes:
Quart, gallon, 2.5 gallon, 5 gallon

Lead Out

690PB Lead Paint Remover

- Revolutionary formula provides easy and affordable lead removal/disposal
- Limits lead dust
- Finished results exceed EPA safety standards

Available sizes:
Quart, gallon, 2 gallon, 5 gallon

Our patented Molecular Bonding System® (MBS) encapsulates lead and converts it into a non-hazardous material.

Available sizes:
Quart, gallon, 2.5 gallon, 5 gallon

Soy Strip

670AF Antifouling Paint Remover

- Specially designed for commercial and recreational boats
- Easy-to-use gel formula
- Made with American-grown soybeans

Hard Surface Graffiti Remover 680HS

- Fast-acting formula, easy cleanup
- Works on metal, glass, painted wood and other non-porous surfaces
- Restores lockers, restroom stalls, road signs and more
- Low-VOC, low-odor

Available sizes: Quart, gallon, 5 gallon

Our professional graffiti removers eliminate damage caused by spray paint, permanent marker and paint overspray.

Available sizes: Quart, gallon, 5 gallon

Porous Surface Graffiti Remover 682PS

- Fast-acting formula, easy cleanup
- Works on uncoated concrete, brick, landscaping block and stone
- Made with American-grown soybeans

Mastic Removers

500 Series

Removing old mastics and adhesives - including black mastics with asbestos and stubborn polyurethane glues - can be a tough job. The products in our 500 Series quickly soften tough mastics and adhesives without the use of hazardous chemicals.

"The bottom line is that if you want mastic removed quickly, completely and safely, this (500MR) is exactly what you need."
- Mark M.

BEAN•e•doo

500MR Mastic Remover

- Professional formula for use on concrete surfaces; ideal for use in occupied areas
- Removes mastics, asbestos-based black mastics, vinyl glue and other carpet/tile adhesives
- Low-odor, low-VOC
- Made with American-grown soybeans

Available sizes: Quart, gallon, 5 gallon

"Couldn't be happier with this product (500MR). It took two coats of floor adhesive that was 50 years old off with very little effort." - Jim

"I am a commercial applicator of decorative concrete. I have used this product (500MR) for years and recommend it all the time." - Dwight C.

User tip: After removing mastic, clean-up with Emerge 700DG Degreaser (pg. 9)

Available sizes:
Quart, gallon, 5 gallon

Poly•U

540PM Polyurethane Adhesive Remover

- For use on pre-engineered and UV-finished wood floors

Surface Cleaners

700 Series

Quickly remove residue after using other BLUE BEAR products, including mastic remover and paint strippers, and tackle other tough cleaning jobs with ease.

User tip: Our surface cleaners are available in ready-to-use and concentrated formulas.

Emerge

700DG Degreaser

- For concrete floors, parts washers and equipment
- Ideal after using **Soy Gel**, **605PRO with Safenol** or **BEAN•e•doo Mastic Remover**
- Biodegradable and non-caustic
- No trisodium phosphate (TSP)

Available sizes: Quart, gallon, 2.5 gallon

"Worked well cleaning up residue from mastic remover. No harsh odor. Definitely recommend this product." - Dominic R.

EBC

720ES Exterior Surface Cleaner

- Ideal for cleaning concrete and removing efflorescence, cement films and mortar residues
- Cost-effective, concentrated formula
- Safe for natural stone, aluminum and stainless steel

Available sizes: Quart, gallon, 2.5 gallon

For exterior building cleaning, dilute EBC 1:10; for lighter cleaning, EBC may be diluted 1:30.

Available sizes: Quart, gallon, 5 gallon

Ickee Stickee Unstuck 740AD Adhesive Remover

- Fast-acting formula removes duct tape, sticker residue and other build-up
- Low-odor and biodegradable
- Made with American-grown soybeans

Concrete Dissolver

770CD

- Use on tools, trucks and machinery
- Removes built-up concrete and concrete dust
- Hassle-free application with a pump sprayer or use to soak tools

Available sizes: Quart, gallon, 5 gallon

User tip: BLUE BEAR Concrete Dissolver foams as it begins working.

Verasafe

760CE Muriatic Acid Replacement

- Powerful, non-caustic cleaner
- For light etching of concrete surfaces
- Safer alternative to harmful acids

Available sizes: Quart, gallon, 5 gallon

BEAN•e•doo

780VC Vinyl Surface Cleaner

- Removes dirt, grime and oxidation
- Biodegradable
- Made with American-grown soybeans

Available sizes: Quart, gallon, 5 gallon

Asphalt Removers

300 Series

Our line of soy-based asphalt removers and releases are safer and more effective than diesel, and more affordable than citrus cleaners.

The products in BLUE BEAR's 300 Series have flash points above 200°F, making them safer than petroleum-based releases.

BEAN•e•doo

300RE Asphalt Remover

- Breaks down build-up of asphalt, polymers, top coatings and more
- Easy cleanup with water
- Pre-apply as a surface protectant

Available sizes: Quart, gallon, 5 gallon

"I haul asphalt in my dump truck and use this to remove tack from my aluminum wheels, as well as any painted surface. It works instantly."

- Higg

BEAN•e•doo

360AR Asphalt Release

- Prevents hot mixes from bonding to metal surfaces
- Enhanced slips and less clean-up
- Low-VOC and biodegradable

Available sizes: 5 gallon

Form Release

800 Series

Professionals now have an easy way to remove concrete from wood, steel, urethane and silicone forms. Our biodegradable release formula is low-odor, non-staining and cleans up with water.

Our specialized formula leaves behind a clean concrete finish, with features and textures intact.

Concrete Form Release

800GP General Purpose

- Cost-effective 20:1 concentration
- Up to 2,500 square feet per gallon
- Excellent wetability properties
- Non-staining and 100% biodegradable

Available sizes:
Quart, gallon, 2.5 gallon, 5 gallon

Parts Washers

200 Series

Clean and maintain shop parts and equipment, and easily remove adhesives from car moldings, with the specialty products in our 200 Series.

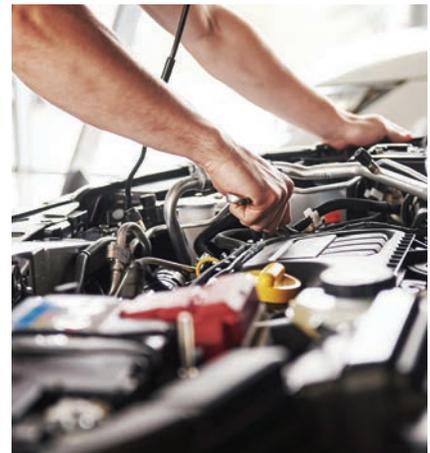

User tip: Use *BEAN•e•doo 280AH* with our automotive dip tray, which is available on franmar.com

BEAN•e•doo

280AH Auto Adhesive Remover

- Removes two-sided tape from body side moldings
- Eliminates risk of damage from sanding and grinding
- Effective for up to three months

Available sizes: Gallon, 2.5 gallon

User tip: With a flash point of over 400°F, *BEAN•e•doo 200PW* can be safely used hot or cold.

BEAN•e•doo

200PW Parts Washer

- Removes oil, grease and grime from industrial parts and equipment
- Non-caustic and biodegradable
- Recyclable

Available sizes: 5 gallon
