Aluminum Wood-Look Finishes

Pecan*
TS107

Hazelnut*
TS113

Wood-look finishes add warmth and charm to your outdoor space, without the extra maintenance of wood.

* Offered exclusively for the privacy walls

Durable Aluminum Structure

10-Year Warranty

Durable, corrosion resistant, long lasting, and environmentally friendly.

Ajustable Shutters/Louvers

Designed for complete privacy and protection

Our shutters let you control visibility, airflow, and light, all while elevating your outdoor space.

Fixed Shutters/Louvers

A design statement

Our design walls (louvered panels) create intimate, inviting outdoor spaces with just the right amount of shelter and style.

Linear blades

Angled blades
