WHY CHOOSE **TRUNORTH**[®] COMPOSITES

Eco-Innovative Materials

TruNorth[®] Composites products are proudly crafted in Ontario, Canada using our exclusive blend of recycled plastics and upcycled rice hulls, which are sustainably sourced and help reduce deforestation. On average, each deck installed recycles the equivalent of 6,000 plastic water bottles.

Performance & Low Maintenance

Whether you choose TruNorth[®] Composite decking, fencing, or Clubhouse[®] PVC decking our high-performance products are designed for long life and ease of care. There is never a requirement to sand, stain or seal, and each product we offer comes with a comprehensive warranty.

Fire Safety Commitment

Clubhouse[®] PVC decking features a Class-A and TruNorth[®] decking features a Class-B fire rating, ensuring superior safety and compliance with stringent building codes.

Commitment to the Future

Dedicated to advancing sustainable living, TruNorth[®] continues to innovate, ensuring that your choice is not only beautiful but environmentally responsible.

Discover Your Style

Reimagine your outdoor living space with a variety of color and styles, engineered to perfectly complement our TruNorth[®] Slide & Go Fence[™] collection.
