

BUILD UP YOUR BUSINESS.

Having trouble running a stable construction business ON & OFF site? If you're a construction contractor or a construction company, you're probably familiar with these problems:

- Slow invoicing and delayed payments
- Zero or minimal online presence
- Admin tasks and paperwork piling up
- Slow customer service response times
- Late adoption of new technology
- Missed sales calls

If you need help running your business but don't have the budget for a full-time employee, space for in-house staff, or time to screen candidates, **hire a Construction Virtual Assistant from 20four7VA** instead.

WHAT IS A **CONSTRUCTION** VIRTUAL ASSISTANT?

A Construction Virtual Assistant (VA) is a remote contract professional who helps you manage your business so you can focus on getting things done on-site.

WHO WE ARE

20four7VA is a remote hiring and contract staffing agency specializing in cost-effective and turnkey staffing solutions. We provide customizable and scalable offshore outsourcing services to businesses across various industries.

Combining advanced AI-matching technology and our team's decades of expertise in remote staffing, we help businesses efficiently build an inclusive and skilled remote team that saves them up to 75% on labor rates.

We have empowered 3000+ companies grow their market share by providing them with on-demand access to our global community of over 750+ offshore contract talent.

SPEND LESS ON STAFFING & GROW YOUR BUSINESS AT THE SAME TIME

Hiring a Construction VA gives you access to trained and skilled professionals while giving you up to 80% savings on staffing costs.

How does a Construction VA from 20four7VA help you save?

- Remote workers pay for their own internet & equipment so you save on overheads
- Offshore VAs have lower hourly rates compared to local workers
- Delegating work to your VA allows you to focus on more profitable tasks and getting new clients
- We handle the hiring, HR, payroll, and staff monitoring for you. It's all included in our weekly rate!
