BEPRO

Who We Are?

To meet the demands of the industry, GNS Group of Companies leveraged its 40 years of experience by establishing GNS Profil Alüminyum A.Ş. in 2022, specializing in aluminum profiles and offering professional aluminum solutions. In its pursuit of becoming a global brand, the group founded GNS Europe B.V. in 2023 and launched the "BEPRO" brand in 2024.

Our integrated facilities, situated in the Ergene and Kapaklı districts of Tekirdağ, span a total area of 35,000 m², with 29,000 m² of enclosed space, and provide innovative solutions using advanced technology machinery and a highly skilled team of 150 professionals.

In our profile factory, we produce profiles using our 5-inch, 7-inch, and 9-inch extrusion lines.

Our Mission

To deliver the ideal balance of quality and price, while providing exceptional service, ensuring we remain the preferred profile supplier for our customers.

Our Vision

To contribute sustainably to our country's employment and production through collaboration with our customers.

To leave a clean and livable world for future generations by utilizing advanced production technologies.

To be a pioneering force in our sector and establish a valuable brand presence in the international market.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 15088:2005

under system 2+ are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 24.04.2024 and will remain valid until 24.04.2025 as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body. The certificate is supported through annual surveillance audit and is reissued after each surveillance audit. The validity of the certificate may be confirmed in the CE register at the web address www.dedal-bg.net.
