ABOUT US

Maxstar International Sdn Bhd, established in 2019 in Malaysia, specializes in American-style kitchen cabinets. Its strategic location ensures efficient transportation and shipping services.

Known for professionalism, craftsmanship, and attention to detail, Maxstar uses skilled artisans and advanced equipment to produce high-quality, functional kitchen cabinets. The company supports both project-based and ready-stock production, ensuring consistent supply and the capacity to meet large-scale demands.

Maxstar remains committed to delivering products that exceed customer expectations while fostering lasting relationships with clients, suppliers, and employees. Its dedication to quality and customer satisfaction has solidified its reputation in the industry.

SIGNATURE SHAKER CABINET SPECIFICATIONS

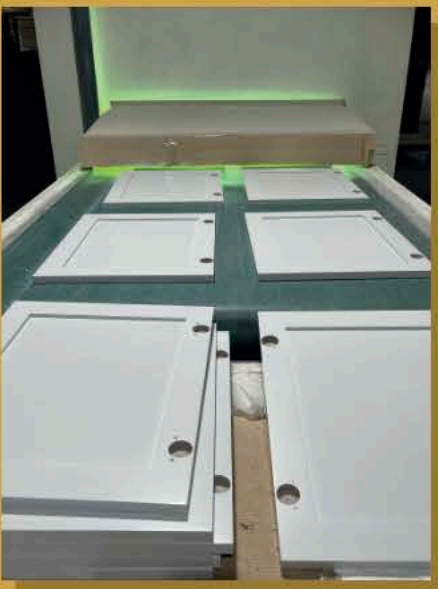

- ① **Birch veneered A grade plywood**, on the sides and a fully veneered back panel.
- ② **Dovetail joints** to secure long-lasting craftsmanship.
- ③ **HDF** or **Birch Solidwood** options for frame to enhanced durability.
- ④ **MDF** centre panels for **customizable** door styles and to ensure smooth finishes.
- ⑤ Birch veneered A grade plywood shelves to effortlessly withstand heavy duty items.
- ⑥ 6-way hinge that includes **soft-closing feature** to ensure precise alignment and easy installation with protective properties during usage.
- ⑦ **Toekick** to provide additional stability and structural support.
- ⑧ **Metal bottom-mounted drawer glides** for unobstructed, smooth and stable space that allows for greater storage.

COMPANY PURPOSE & PHILOSOPHY

- Quality Commitment**
 Maxstar uses durable, high-quality materials to meet customer needs.
- Advanced Technology**
 Continuous investment in cutting-edge equipment ensures efficient production.
- Reliable Supply**
 High-quality, high-volume output meets large-scale demand.
- After-Sales Service**
 Timely, personalized support fosters lasting relationships.
- Future Growth**
 Committed to company and employee development for sustained success.
