

FOR IMMEDIATE RELEASE

## **STONE HARBOR HARDWARE CHALLENGES ATTENDEES TO BUILD THEIR DREAMS AT THE 2025 INTERNATIONAL BUILDERS SHOW**

Appleton, Wis. – January 27, 2025 – Designers, builders and other industry professionals can elevate their Design & Construction Week experience with Stone Harbor Hardware’s “Build Your Dream” experience at the 2025 International Builders Show. From February 25 – 27, IBS and KBIS attendees will have the opportunity to showcase their creativity using Stone Harbor’s hardware collections.

Builders, designers and other attendees can create inspirational mood boards by combining Stone Harbor’s hardware pieces with design elements such as tiles, paint swatches and flooring samples. This hands-on experience allows participants to explore current design trends and innovative applications while highlighting the versatility of the Stone Harbor product line.

“Our ‘Build Your Dream’ experience is designed to spark creativity and demonstrate how the right hardware can transform a space,” said Beth Basch, marketing director for Stone Harbor Hardware. “We’re challenging industry professionals to envision new possibilities for our products. It’s an opportunity for participants to gain inspiration and potentially win the hardware they need to bring their vision to life, and we can’t wait to see everyone’s designs.”

Throughout the week, show attendees will vote for their favorite designs, with the winning entry receiving a comprehensive hardware package to implement their concept in a real-world project. This interactive approach not only engages attendees but also provides valuable insights into emerging design preferences and industry trends.

Visitors to Stone Harbor’s booth (#C7937) will also have the opportunity to explore Stone Harbor’s extensive product line, including cabinet hardware, door locks, sliding barn door hardware, and bath accessories, along with new additions like modern robe hooks and security door hardware.

Established in 2010, Stone Harbor Hardware LLC manufactures and distributes quality builders, bath, cabinet, door and closet hardware. For more information about the company, please visit [www.stoneharborhardware.com](http://www.stoneharborhardware.com).
