About Us

Founded in 1992 with brand BLUEGULF in Ningbo City, Zhejiang Province, China, around 20 kilometers to seaport and airport, Ningbo Danqi Sanitary Wares Co., Ltd. is a professional manufacturer of modern acrylic free-standing bathtubs, alcove bathtubs, drop-in bathtubs and shower bases.

It has been passionate about design and craft, constantly innovating our range of premium products for over 25 years. In 2014 we started a new brand DANQI so as to meet the expanding overseas markets' demands. All our products come with our built-to-last promise, and a genuine commitment to service.

We are a full-service OEM/ODM manufacturer, which means that we develop new products hand in hand with our customers, adding our design and engineering know-how to our customers' projects. Our promise is to offer you a solid and serious business partnership based on mutual benefit and trust.

We did our best to make our products more acceptable and affordable by end consumers all the time and achieved great progress. We are looking forward to new and old customers for business negotiation and cooperation to create brilliant future!

Technologies and Certifications: CUPC, AS/NZS 2208, ISO9001, CE. Customized dimensions available, specialized, refined, and innovative enterprises, gained a number of patent certifications.

You are welcome to contact us for further information and help.
