Perfectly Calculated Design

Developed over three years. Designed and tested in factories!

01 Easy to change the nib by hooking the nib holder.

02 Unique cap design allows easy handling even with gloves on.

03 Ridge avoids marker rolling.

04 Ink level window.

Advantage

No More Ink Drips Ruining Your Workspace

No pumping is needed, so there's no worry about ink leaks at the start of use, which is common with traditional markers.

Competitor's product

Contribution to Waste Reduction

Refillable ink and replaceable nibs make it possible to reuse the marker body, cutting down on waste and disposal cost.

Durable Nib for Heavy-duty Tasks

The nib is designed to resist wear, even with continuous writing on rough surfaces.

13 Vibrant Ink Colours Tailored to Market Needs

Eco-friendly and Body-safe xylene-free ink.
