Murphy Door Unveils New Innovations at the 2026 NAHB International Builders Show:

Murphy Door is excited to showcase its latest collection of hidden door solutions at the 2025 NAHB International Builders Show in Orlando, February 17-19. Designed to elevate both functionality and aesthetic appeal, these new offerings continue our tradition of innovation and craftsmanship.

At IBS 2026, Murphy Door will unveil three new products, including two entirely new hidden door systems that significantly expand how and where hidden rooms can be created:

- [Hidden Panel Door](#), a fully concealed solution that allows large wall sections to open seamlessly, enabling more expansive and flexible hidden spaces
- [Surface Mount Door](#), a retrofit-friendly system that installs directly over existing doors, making hidden rooms possible without structural changes
- New Hidden End Table, extending Murphy Door's design-forward approach beyond doors and into functional furniture
