STONE HARBOR HARDWARE EXPANDS BATH HARDWARE OFFERINGS; INTRODUCES ORLEANS COLLECTION

Appleton, Wis. – Feb. 12, 2026 – Bringing a modern look to homes is now easier than ever, thanks to Stone Harbor Hardware’s new bath hardware collection, Orleans. With a sleek, tubular design and popular finishes, the Orleans collection is ideal for contemporary spaces.

The Orleans collection is available in matte black, satin nickel and polished chrome finishes and includes six different pieces:

- Towel Ring
- Robe Hook
- Pivoting Paper Holder
- European Paper Holder
- 9” Hand Towel Bar
- 24” Towel Bar.

The collection also includes a 4-piece set, which combines the 24” towel bar, European paper holder, towel ring and robe hook in a single box, making it easy for both contractors and DIYers to refresh a bathroom.

In addition to the Orleans bath collection, Stone Harbor has also expanded the finish offerings for its Portland and Barrington bath hardware collections. Both collections now feature the popular matte black finish, in addition to the existing options of satin nickel and vintage bronze.

“At Stone Harbor, our goal is to offer a complete hardware solution for any home,” said Erich Russ, president of Stone Harbor Hardware. “The Orleans collection is a perfect fit for modern homes, while Barrington and Portland suite beautifully with more transitional and traditional spaces.”

Industry professionals at the 2026 International Builders’ Show and Kitchen and Bath Industry Show can see these new items and the rest of the Stone Harbor product line at booth #W4791 at IBS.
