# Wrap-It<sup>®</sup> Storage

## A Family Business

Wrap-It Storage<sup>®</sup> was founded in our childhood basement in St. Paul, Minnesota by our dad, Jim. Before that, mom (Julie) and dad raised three rambunctious boys (that's us!). There's been a lot invented in that basement—forts, some pretty sweet LEGO<sup>®</sup> creations, wrestling arenas—but nothing very great until Wrap-It Storage<sup>®</sup> came along. Wrap-It Storage<sup>®</sup> was created to the benefit of homeowners, tool jockeys, office workers, production crews, musicians, computer geeks, gadget junkies, outdoor enthusiasts, and neat freaks everywhere. Jim's one-man operation has become a family-run business.
