

THE PAXTON COLLECTION

CALIFORNIA CLOSETS®

THE PAXTON COLLECTION

The Paxton Collection is California Closets' exclusive new storage collection designed in a transitional modern aesthetic to elevate every room in the house.

Distinguished by its streamlined profile, Everstyle Drawer System, and hidden hardware, this comprehensive collection maintains an elegant, cohesive design in any configuration. A select, complementary palette of premium finishes, materials, and coordinating design elements combine to create beautiful systems equivalent to custom built-in furniture.

Rooted in California Closets' rich history of craftsmanship and expertise, the Paxton Collection is the perfect solution for any space—from the closet to the media center, to the home office and wine bar.

THE PAXTON CLOSET

MATERIALS SHOWN:
Tesoro™ Ash, Oyster Leather, Gold Metal

THE PAXTON CLOSET

The Paxton walk-in closet elevates storage with enhanced function and style. Features such as glass-front cabinetry and countertops combine elegance with optimal visibility. A center island with slanted shoe shelves maximizes organization and easy access. Cabinet and drawer pulls in metallic finishes lend a refined yet subtle statement. Exclusive Everstyle drawers are customizable to store everything from clothing to accessories.

A coffee station and built-in vanity elevate the morning routine

Inset door faces create a sleek, streamlined design

Glass-front cabinetry optimizes visibility

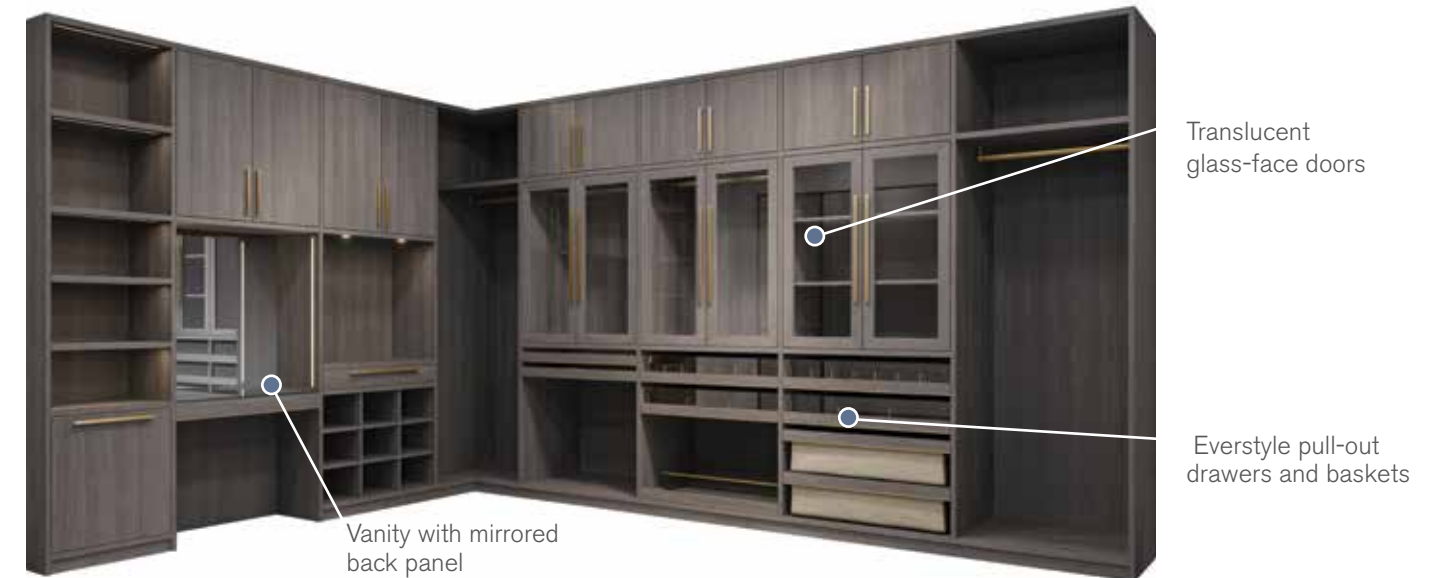

Slanted shoe shelves with gold fences provide accessible organization

PAXTON CLOSET CUSTOM FEATURES

The Paxton closet is a fully-customizable solution that fits any space and style requirement. Closed cabinetry, open shelving, and storage cubbies in various sizes and capacities organize a full wardrobe including hanging and folded clothes, accessories, luggage, laundry, and more. Custom options including a coffee stand and built-in vanity optimize personalized function.

CUSTOM FEATURES INCLUDE:

- Inset drawers and door faces
- Built-in vanity with ribbon lighting
- Coffee stand with wire management
- Built-in power outlets and USB
- Glass cabinetry faces
- Exclusive Paxton pulls
- Suspended hanging poles
- Hidden and refined hardware elements
- 13 exclusive Everstyle drawer options

PAXTON ISLAND CUSTOM FEATURES

The Paxton island accommodates a range of Everstyle drawer combinations to customize storage for every need. Customizable drawers in both slim and deep profiles organize jewelry, ties, socks, sunglasses, shirts, pants, laundry, and more. Slanted shelves set shoes on display for optimal viewing and accessibility. Open shelving provides spaces for folded sweaters and blankets.

CUSTOM FEATURES INCLUDE:

- Inset drawers and door faces
- Slanted shoe shelves
- Glass countertop
- Exclusive Paxton pulls
- Hidden brackets, in-line hinges, and rail hardware
- Exclusive Everstyle drawer collection

THE EVERSTYLE DRAWER SYSTEM: Closets

Exclusive to California Closets and signature to the Paxton Collection, the Everstyle Drawer System offers exceptional design, versatility, and organization. Design features like faux leather lining, glass fronts, and metal trims combine with customizable components including organizers, dividers, trays, baskets, and adjustable bars for superior style and function. The comprehensive system features 15 styles to provide ample personalized solutions for storing clothing, accessories, laundry, and more.

TIE + BELT ORGANIZER
Organizes ties and belts of all sizes in adjustable sliding dividers; optional glass front maximizes visibility

JEWELRY ORGANIZER
Organizes watches, bracelets, and jewelry; wider sections fit long necklaces; custom options include suede-lined pillows, suede ring and cufflink holders, and small overlay trays

SUNGLASSES ORGANIZER
Organizes sunglasses and jewelry; three small overlay trays provide additional storage

SOCK DRAWER
Organizes socks, underwear, small bags, and accessories; leather-lined base and back; adjustable dividers accommodate various items; optional glass front maximizes visibility

SHIRT DRAWER
Stores shirts, sweaters, blouses, and lingerie; leather-lined base and back; snap-in, adjustable dividers accommodate various items; optional glass front maximizes visibility

SHOE ORGANIZER
Displays shoes for easy access; leather-lined base; adjustable bar allows shoes to face front or back; bar removes to store short boots

LAUNDRY ORGANIZER
Conceals hamper in modern leather basket; handles on hamper bags ensure easy accessibility; sophisticated style makes it aesthetically appropriate in public living spaces for blankets, toys, and more

DIVIDED BASKET
Stores sweaters, jeans, lingerie, shirts, small bags, and linens; luxurious suede lining protects delicate clothing and accessories; adjustable snap-in dividers accommodate various items

DEEP DIVIDED BASKET
Stores oversized scarves, purses, decorative pillows, throws, and linen sets; oversized 20" tall basket; luxurious suede lining protects delicate items; adjustable snap-in dividers accommodate various items

SKIRT/SHORT ORGANIZER
Stores skirts and shorts stylishly and accessibly; clips also hold tall boots

PANT/LINEN ORGANIZER
Stores pants, shawls, and bulky sweaters for easy access; hangers easily lift up and out; keeps linens and sheets wrinkle-free

VERSATILE DRAWER
Displays folded clothing and accessories; tucks seamlessly under a fixed shelf; planked leather base offers a modern look; optional glass front maximizes visibility

THE PAXTON MEDIA CENTER

MATERIALS SHOWN:

Lago® Milano Grey,
Pewter Leather, Graphite Metal

THE PAXTON MEDIA CENTER

The Paxton media center redefines custom living for public spaces. Hidden hardware seamlessly connects the entire system for a flawless finish. An extra long shelf accommodates televisions of various sizes; the exclusive ventilated Everstyle media drawer keeps electronics concealed and cool. Illuminated glass shelving offers a striking display space. A purposeful mix of open and closed storage lends continuity to the design.

A glass shelf edged in graphite pairs elegance with texture

Versatile Everstyle drawer organizes all remotes

Ventilated Everstyle component drawer keeps electronics cool

Exclusive Paxton pulls offer a clean-lined complement

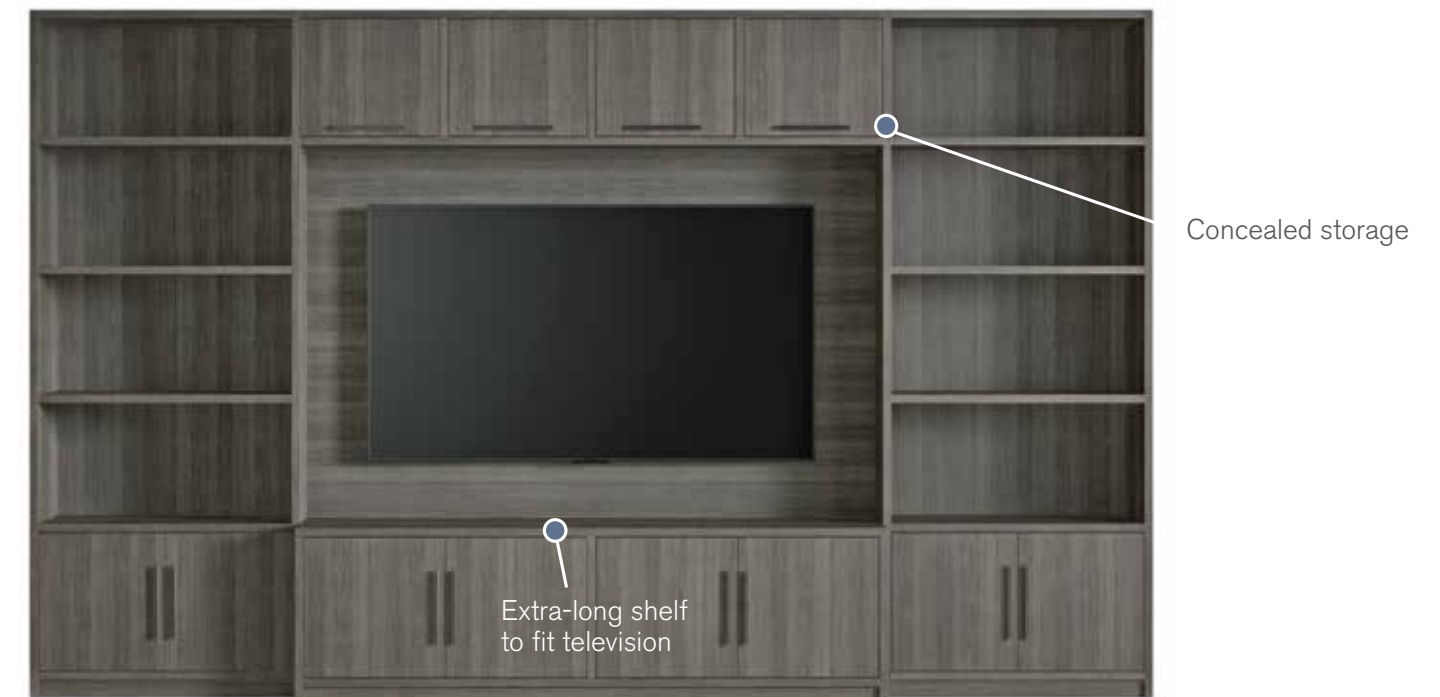

PAXTON MEDIA CENTER CUSTOM FEATURES

The Paxton media center is fully customizable to maximize storage for entertainment equipment, electronics, books, games, toys, and more.

The center storage unit is easily fit to any television size; both closed cabinetry and open shelf storage (including spotlit floating glass shelves) can be optimized depending on preference, space availability, and need.

CUSTOM FEATURES INCLUDE:

- Glass display shelves
- Extra long television shelf
- Recessed lighting to spotlight displays
- Integrated wireless charger
- Inset doors and drawers
- Ventilated Everstyle component drawer
- Versatile Everstyle TV remote media drawer
- Continuous bottom shelf hardware
- Hidden and refined hardware elements

THE PAXTON WINE BAR

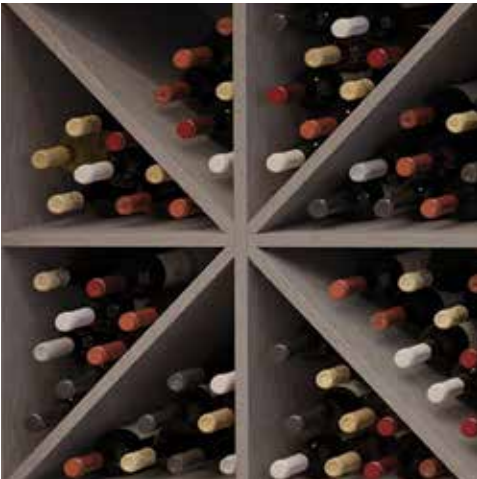

MATERIALS SHOWN:
Lago® Adriatic Mist,
Charcoal Soapstone, Gold Metal

THE PAXTON WINE BAR

The Paxton wine bar takes entertaining to the next level. Beautiful, functional construction organizes a full wine collection. Wine stars help to group wine by category and balance the aesthetic with clean, symmetrical lines. Silestone countertops mix durable surfaces with organic contrast. Extra long glass shelves beneath spotlights create a luxe showcase for glassware.

Wine stars lend aesthetic value and help categorize varietals

Glass shelves elegantly display glassware

Silestone countertops provide durability and contrast

Cubbies organize a full wine collection

PAXTON WINE BAR CUSTOM FEATURES

The Paxton wine bar is fully customizable to accommodate an entire wine and tableware collection including dishware, glassware, linens, and more.

Options for emphasis on open glass shelving, wine cubbies, or closed cabinetry exist to optimize organization based on the collection. Drawers can be added or minimized to utilize hidden storage as necessary.

CUSTOM FEATURES INCLUDE:

- Wine stars
- Silestone countertops
- Inset drawers and door faces
- Recessed puck lighting
- Floating glass shelves
- Continuous bottom shelf
- Exclusive Paxton door and drawer pulls
- Multiple storage options
- Hidden and refined hardware elements

THE PAXTON
HOME OFFICE + WALL BED

THE PAXTON
HOME OFFICE + WALL BED

THE PAXTON HOME OFFICE + WALL BED

The Paxton home office performs smart double duty. A soft-motion wall bed transforms the daily workspace into a weekend guest room. A designated desk with exclusive Everstyle drawer enhances function and organization. Open shelves mix with closed cabinetry for office supply and bedding storage both accessible and hidden.

A designated desk with drawers creates a custom workplace

PAXTON HOME OFFICE + WALL BED

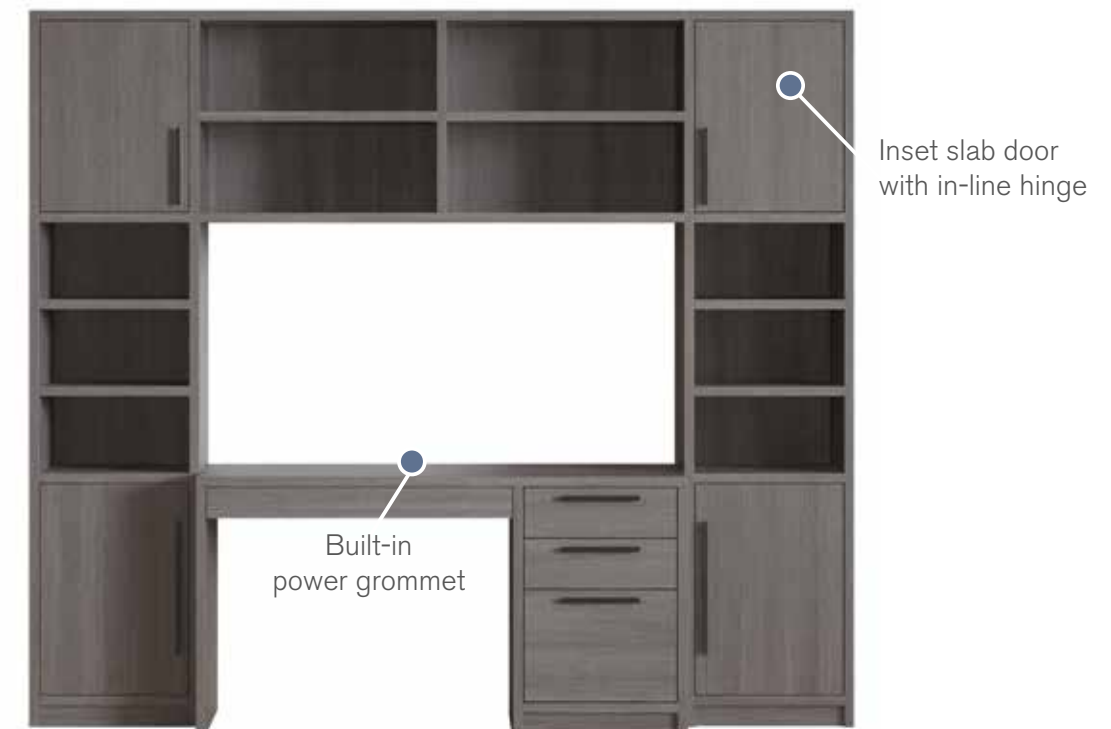

CUSTOM FEATURES

The Paxton home office + wall bed is fully customizable to optimize function for any workspace or guest room.

Various combinations of open cubbies and closed cabinetry enhance utility through customized storage. Three different desk and drawer designs cater to comfort and accessible storage needs.

CUSTOM FEATURES INCLUDE:

- Soft-motion wall bed
- Inset drawers and door faces
- Built-in power outlets
- Refined flip-up and flip-down hinges
- File drawer storage
- Exclusive Everstyle versatile drawer
- In-surface power grommets

HIDDEN HARDWARE

The Paxton Collection utilizes hidden hardware for a flawless finish that defines its streamlined, elegant aesthetic. Installed inside, within, or behind each piece, the hidden internal hardware disappears from sight while seamlessly joining backing, panels, and shelves. Purposeful elements including wire hinges for drop-down doors further enhance the collection's refined design.

An exclusive California Closets innovation, the hardware components provide the elevated finishing touch that makes the Paxton Collection perfect for every room in the home.

CUSTOM FEATURES INCLUDE:

- Achieves the look and beauty of built-in furniture
- Addresses elevated style requirements for public and open spaces
- Sourced globally to introduce the highest level of design and quality
- Includes hidden brackets and rails, in-line hinges, wire hinges, flip-up hinges

THE PAXTON COLLECTION: Materials + Palette

The Paxton Collection achieves its refined design through a discerning approach to materials, hardware, finishes, and colors. A carefully-chosen assortment of wood, glass, leather, metallics, and neutrals form a unified palette that works together to create a cohesive, transitional modern aesthetic. Ample thickness across materials enhances durability and substance. This edited selection ensures the collection's transitional modern design and premium quality stay true for every custom configuration.

“

As an interior designer, quality and craftsmanship are essential for me and why I love Paxton's edited design. Hidden hardware, crisp lines, and a timeless palette of materials allowed me to create the custom media unit I envisioned.

”

Jeremiah Brent, Interior Designer
