## About ECI

---

### COMPANY OVERVIEW

Since its founding in 1999, ECI Software Solutions has provided industry-specific, cloud-based business software and services to small- to medium-sized businesses (SMBs) around the world. With a singular mission to help SMBs compete and grow, ECI offers purpose-built software developed by experts in manufacturing, residential construction, service management, building supply, office technology, and wholesale/retail distribution industries. ECI's software has a proven track record of connecting SMBs and customers, improving visibility, operational efficiency, and profitability.

Privately held, ECI has achieved double-digit growth both organically and through strategic M&A, including 48 acquisitions, gaining significant market share, and expanding its footprint internationally. ECI currently serves 24,000 customers in more than 80 countries globally. The company is a certified Great Place to Work® five years in a row and a 2023 winner of Achievers 50 Most Engaged Workplaces®, earning the title for six consecutive years. Headquartered in Westlake, Texas, it has offices in the U.S., Canada, Mexico, the United Kingdom, the Netherlands, and Australia.
