

# R-BLADE

LOUVERED ROOF PERGOLA

## The weather changes, not your outdoor experience.

Our R-BLADE is made to let you face the sun or block it out at your convenience — all thanks to its adjustable louvers.

It's more than just an impeccably designed structure, we give you the power to transform any outdoor space into an extended, relaxing living area protected from the elements.

Accessorize with fans, heaters or screens and manage the temperature as you see fit!

**FRAME & LOUVERS

# R-SHADE

INSULATED ROOF PERGOLA

## A weatherproof outdoor all year long.

With our insulated pergola R-SHADE, you can enjoy your outdoor space —and never worry from the constraints of the weather again.

Our R-Shade panels are an innovative and efficient solution against the harshest of climates. Stay away from rain, snow, cold and heat with the strength and unmatched insulation provided by our structures. We have designed the most effective product to extend the pleasantest seasons and with them, your outdoor life.

# R-CAR

LUXURY CARPORT

## Sophisticated shelter for your vehicles.

Whether it's rain, snow, or harsh light that's damaging your car, we have you covered. Protect your car from the elements with our custom carports.

With R-CAR, you'll drive into a carport with all the advantages of our pergolas: custom engineering, and a sleek design that complements any style. You can choose from an insulated fixed-roof panel like the R-SHADE that matches your building, and even add solar panels to produce green power for your EV.

# K-BANA

LUXURY CABANA

## A private space in the open-air.

It's time to transform your outdoor space into a luxurious retreat — and we've got just what you need.

Introducing K-BANA, an award-winning cabana that will take your poolside or outdoor area to the next level.

Designed to offer controlled shade while also providing an intimate dining or lounging experience, use our multi-purpose cabana as an additional living area, taking the indoors outside.

Louvered Walls

An upgrade to your pool area, garden or any outdoor space installed in a few hours  
Manual louvered walls and roof — keep the sun, temperature and your privacy under control  
A deck of your choice to complement any style

# POOLDECK

3-in-1 SLIDING POOL COVER

## Optimize your pool space over the seasons.

Your pool is your most valuable asset. It's a place to relax, to exercise, and to entertain. But what if you could make it even better?

Our PoolDeck is a clever 3-in-1 sliding pool cover, patio and deck solution that makes the most of the pool area square footage.

The sturdy deck supports high loads for your patio furniture. It turns your pool into a safe space for children and pets as well as entertaining guests.

### SIZE & SHAPES OPTIONS

Variety of sizes and modular shapes to fit your pool

### PANELS OPTIONS

1 panel  
2 panels - width or length opening

### DECK OPTIONS

Ready-to-customize deck frame (not provided by Azenco)

### OPTIONS

Solar-powered motor /  
Insulated panels

A solid and safe deck to cover your pool and expand your entertaining space  
Easy to use — the motorized deck slides at the touch of a button  
Prevention of evaporation, unnecessary heating of the air and use of chemicals
