LIFE IS BETTER OUTSIDE

PERGOLA | CARPORT | CABANA | POOLDECK

ABOUT AZENCO

Made in USA with European design, Azenco offers a range of **pergolas, carports, cabanas, and pool covers** built with artful design, precision engineering and high-quality materials.

Our product line has grown over the years, but one thing has stayed constant: our commitment to creating products with **impeccable design** that can **withstand any weather condition**.

And our journey is all about our customers' — imagining and delivering a new, **better outdoor life** for you and your guests.

BETTER DESIGN

Our full line of products is designed to fit elegantly with any architectural style, with **clean lines and clever details** that allow you to enjoy the outdoors to the fullest.

BETTER QUALITY

Our engineers are dedicated to using only the **best-in-class machining processes** to cut and pre-drill our products — so you can spend less time waiting for construction to start.

BETTER EXPERIENCE

Our team is here to help you bring your vision to life. With 25+ years expertise, we've learned how to deliver a **zen-like experience** from start to finish.

Because life is better outside, we **design** and **manufacture** innovative products to connect people with their outdoors.

2017 YEAR OF CREATION

40,000 SQFT OF PRODUCTION SPACE

4 USA - CANADA - MEXICO - CARIBBEAN

AZENCO MANAGEMENT

Charles CHAPUS founded Azenco Outdoor in 2017 in the Sunshine State of Florida. Today, Charles imagines elegant designs that define Azenco while overseeing every aspect of the production process to bring those ideas to life.

Vice President, **Leslie CHAPUS** leads Azenco's global expansion and operational strategy while orchestrating worldwide operations between the distribution network, material suppliers, technology, sales, and marketing teams.

AN INNOVATIVE COMPANY

We combine our **innovative spirit** with the best in home **automation technology** to create products for any lifestyle, residential or commercial outdoor space.

Whether it's our attention to detail in the manufacturing process or our commitment to customer service, Azenco has always been committed to **excellence and innovation**.
