the **pre-built**
beautifully attired
exquisitely functional
ready-to-install
customized

kitchen

that is changing
the way ADUs are built.

THE FIRST NAME IN ADU'S

dorothy

Introducing the **pre-built** kitchen.

Welcome to the heart of the home. The fully-loaded, thoughtfully designed, completely-functional, **pre-built** kitchen. With high quality appliances and custom cabinets, it's a chef's dream. And yours, too. It's a snap to add the utilities and install. We roll it in. You hook it up. And things start cooking.

As you can see, our pre-built kitchen comes with all the right ingredients:

- | | |
|---|---|
| Both over-cabinet and undercounter LED strip lighting | Soft close cabinet doors and drawers |
| Built in exhaust hood and microwave | Opening for standard counter-depth refrigerator |
| Solid surface countertop and backsplash | Insinkerator® garbage disposal |
| Electric cooktop offers extra safety | Pre-plumbed for 18" dishwasher |
| | Pre-inspected and compliant with state building codes |

Custom made cabinets

100% recycled sustainable textured wood grain
