

AI-Powered Customer Communication

Podium's AI-powered communication platform helps you provide a highly-personal and convenient customer experience in half the time, making every work day easier.

Jane Cooper

★★★★★

Such an excellent experience! We were looking for a mountain bike for my 15 year old. Not only did Summit have a bike in stock, they had excellent customer service.

⚡ Recommend a reply

Hello Jane! We're glad you were able to find the bike you were looking for. We pride ourselves on our customer service. We hope your child loves their bike!

Send review invites and responses in half the time

Craft review invites and draft responses 2x faster to build a stellar online reputation that helps you get found first in search and bring in more business.

Engage with customers smarter and faster

Respond to leads and customers efficiently with **Message Reply Suggestions** and **Quick Replies**. Our AI Assistant analyzes previous conversations and context from Contact Profiles to generate intelligent responses to FAQs, product and service questions, and more.

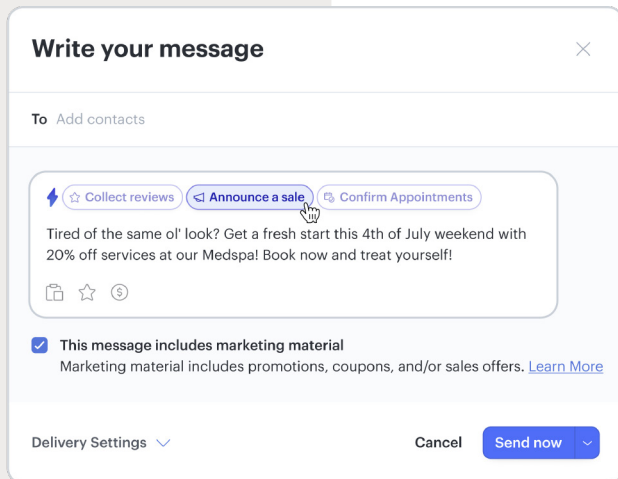

Hey this is Carla, I messaged yesterday about bringing my car in to have my brakes done. When is the best time to come by?

⚡ Recommend a reply Cancel Esc Redo R Keep Enter

Hi Carla! We open at 7am, and you can drop the car off any time after that. We'll let you know as soon as it's ready for pick-up — do you prefer a text or call?

Craft personalized bulk messages quickly

Podium uses AI to analyze your industry and leverage best practices to create impactful bulk message content, like marketing promotions, appointment confirmations, and review invitations.

Respond to new leads in 2 minutes or less

Whether leads come from your website or a 3rd-party site like Google Ads, Yelp, CarGurus, Angi, Thumbtack, or others, use Podium's **Contact Form Leads for Outlook** to send personalized, AI-generated responses in under 2 minutes.

Hey Carla, thanks for reaching out to us through CarGurus. A member of our team will reach out to you soon.
