Wheel

Support legs are adjustable
to accommodate height
and weight of your load

Work Faster, Easier, Safer!

The Scoop Dolly is a very affordable option for loading and unloading top heavy objects safely and fast! Tall, long, and narrow objects like door units, staircases, window units, panel saws and prefabricated walls, which are difficult to move or load onto a truck, can now be moved with ease.

The unique design allows the dolly to operate like a hand truck. However, unlike standard hand trucks, the object can be moved in any direction, making long objects easy to move. Once loaded and tilted back, the object on the Scoop Dolly remains stable without needing to be supported by the operator. With the optional leverage bar, other heavy objects, such as furniture (3 ft. tall or more), can also be loaded and transported easily.

Saw Trax Carts

Can you afford to have 2 men do a 1 man job?

Panel Express

Available Models:

Panel Express Cart
SKU# PE

Options:

Shelf
SKU# PEP SL

Tool Box
SKU# PETB

Simply set your substrate down into the Panel Express and the rubber lined clamp automatically clamps the piece. Need to carry more sheets? Lock the brace open and load up to 3" of substrates in the clamp and stack your additional sheet goods on the optional shelf.

Includes 5" locking casters for easy loading or unloading on a sloped driveway; a convenient handle for moving the cart when empty; and maintenance-free 12.25" foam tires that never go flat or need air. The Panel Express delivers a 700lb. capacity! Great as a drywall cart, glass cart, granite cart, door cart, plywood cart and more.

IDEAL FOR:

Exterior / Interior
Rough Terrain

Convenient Handle
For moving when empty.

Option: Pivoting Shelf
Carry an extra 14 sheets!

Option: Storage Box
Store tools & straps.

Specifications:

- 700lb capacity
- Handle for moving when empty
- Non-marring tires
- 10 sheet capacity (1/2" sheets)
- 12.25" all-terrain foam tires
- 5" locking casters
- Weight: 69lbs

All Terrain / Self-Adjusting Design!

SHEETS

18 sheet capacity with optional shelf.

GRANITE

Able to hold a 700lb. granite slab.

GLASS

Rubber-lined brace to protect substrate.

Saw Trax Carts

All-Terrain Capability with Max Capacity

Dolly Max

Available Models:
Dolly Max Cart SKU# DM

Options:
2 Additional 56" Posts
SKU# DMP

2 Additional Locking
Casters
SKU# XLC

IDEAL FOR:
Exterior / Interior
Rough Terrain

The Dolly Max is an all-terrain and portable multi-function cart. It was inspired by a shop who liked the Panel Express for sheet goods, but also wanted to carry cabinets with the same cart. It is used as a tear-out dolly for demolition, moving dolly, sheet rock dolly, yard cart, mattress cart, furniture dolly, scaffolding dolly, fence dolly, lumber cart, drywall cart and more!

Large 12.25" foam-filled, all-terrain flat-free tires on the rear, with 5" locking casters on the front allow the user to easily cross thresholds, air hoses, grass, and other rough terrain. Easy to transport to the job site! 700lbs capacity. Extra casters increase capacity to 1000lbs.

Quickly convert vertical posts to wheelbarrow mode. Simply pin the posts in place!

Specifications:

- 700lb. capacity
- Includes six 56" posts
- Includes two 56" wheel barrow handles/posts
- All posts repositionable
- 10 vertical and 6 horizontal post positions
- 12.25" all-terrain foam tires
- 5" locking casters
- Base: 30"L x 25.5"W x 12.75"H
- Weight: 120lbs

Adjustable support posts are the key to the Dolly Max!

The posts can be used in both axes. Extra posts are available.

Saw Trax Carts

...we didn't reinvent the wheel - just the dolly.

yel-Low Safety Dolly

Available Models:

yel-Low Safety Dolly
SKU# SD

Options:

2 Additional 56" Posts
SKU# DMP

Corner Bumpers
SKU# CB

IDEAL FOR:

Retail stores
Warehouses
Carpeted floors

Casters are mounted to the interior decking for protection.

Get 3 to 4 times the productivity from your people!

Move items faster, easier, and safer, with less product damage with the yel-Low Safety dolly.

The yel-Low Safety Dolly is a truly innovative and "indestructible dolly" for any industry. The all steel, U.S.-made unibody box carries up to 1000lbs.

It can carry mattresses, large flat screen TV's, bulk items like building materials, headboards, desks, sofas, chairs, and most items up to 1000lbs.

With a powder coated steel body and 4" casters, it is lower than a 3" caster floor dolly and about the height of a pallet.

Carries up to eight 50" TVs at one time. Makes handtrucks and flat carts obsolete for larger items.

Specifications:

- 1000lb. capacity
- Includes six 56" posts
- 18 vertical and 8 horizontal post positions.
- Ultra low profile is easy to load
- Patented post support system allows you to carry more by loading up like a skyscraper or loading out to triple carry capacity.
- Base: 30"L x 25"W x 5.25"H
- Weight: 93lbs

Why struggle? Reduce lifting injuries!

Carries a different load every day!

...Indoor / Outdoor Production Dolly

Raised Safety Dolly

Available Models:

Raised Safety Dolly
SKU# RSD

Options:

2 Additional 56" Posts
SKU# DMP

Corner Bumpers
SKU# CB

The Raised Safety Dolly features all the benefits of the standard yel-Low Safety Dolly, but incorporates our "Hi-Low Kit" raising the cart higher to allow for both outdoor and indoor use over a variety of hard terrains.

The raised version is designed more for outdoor remodeling/construction use. The Raised Safety Dolly comes with brakes on wheels, and brackets for mounting wheels to the corners of the cart.

The all-steel, US-made uni-body box carries up to 1000lbs. It can carry mattresses, headboards, desks, sofas, chairs and most items up to 1000lbs. With a powder-coated steel body, the Raised Safety Dolly is suited for any rough job.

The Raised Safety Dolly model has 4" locking casters at the corners, which raise the cart up. Equipped with six 56" posts to enhance all moving needs, each post can be easily moved from the 18 vertical and 8 horizontal post positions.

Specifications:

- 1000lb capacity
- Includes six 56" posts
- Longer posts available
- Faster operation, carries multiple pieces at once
- Easy one-person operation increases productivity
- Safe to use; load is braced during transport
- Easy to maneuver; zero turn radius
- All steel unibody construction
- 18 vertical and 8 horizontal post positions
- Base: 30"L x 25"W x 9.75"H
- Weight: 94lbs

Raised red 4" locking casters

Saw Trax Carts

...the only dolly designed with the Sign Industry in mind.

Rack & Roll Safety Dolly

Available Models:
Rack & Roll Safety Dolly
SKU# BSD

Options:
2 Additional 56" Posts
SKU# DMP

Corner Bumpers
SKU# CB

Each wheel has a foot pedal break

The small footprint and huge carrying capacity of the Rack and Roll Safety Dolly is designed as a substrate carrier in the sign industry. Multiple types of sheet and/or rolled substrates can be carried simultaneously.

Made for mostly indoor use and built to perform, this dolly can carry 3 to 4 times the load of dry wall carts, all while being easier, faster and safer to load. With the eight 56" positionable posts, it is ideal as a rolling rack for sign shops to store material or move product to the printer or cutter.

The all-steel, US made, uni-body box has a solid base to carry up to 1000lbs. Based on the same steel platform as our yel-Low Safety Dolly, our Rack & Roll Safety Dolly features 3" locking stem and wheel casters. These casters are mounted to the corners of the dolly giving it more ground clearance than the yel-Low Safety dolly. When wanting the low profile of the yel-Low Safety Dolly, but needing the feature of locking casters, the Rack & Roll Safety Dolly is the perfect choice.

The U.S.-made 56" steel 16 gauge posts can be used vertically or horizontally to carry a variety of loads.

Specifications:

- 1000lb capacity
- Includes eight 56" posts
- 18 vertical and 8 horizontal post positions
- Easy to maneuver
- Zero turn radius
- Base: 30"L x 25"W x 9.75"H
- Weight: 100lbs
