

## Ventilated Wire

### LIFETIME™

**Lifetime** is the standard fixed ventilated wire shelving that is the strongest in the industry. It installs with the strongest hardware to offer the weight load capacity required by quality Builders. It is used in applications that require strength and durability. Ideal for projects when long-term durability is needed.

**ADJUSTABILITY** None. Can be installed to be ADA compliant

**COLORS** White and Nickel

**WEIGHTLOAD CAPACITY** 75 lbs per foot of shelving

**ANCHOR SYSTEM** Mounts to drywall with patented Tri-Loc® anchor system

**WARRANTY** Lifetime Limited

### SHELFTECH™

**Shelftech** is economical fixed ventilated shelving with steel gauges similar to competitive products developed to be sold in big box stores. Generally used where low cost is the driving factor.

**ADJUSTABILITY** None. Can be installed to be ADA compliant

**COLORS** White

**WEIGHTLOAD CAPACITY** 45 lbs per foot of shelving

**ANCHOR SYSTEM** Mounts to drywall with pin driven system

**WARRANTY** 10 Year Limited

## VUE®

**VUE** is a refined fixed wood storage system with no exposed hardware and a design for gap-free installation. Easy installation, high quality materials, and superior strength meet the needs of building professionals. Ideal as an economical shelf and rod solution for home Builders. VUE appeals to homebuyers and residents who prefer a solid shelf solution over fixed wire shelving and do not require adjustability.

**ADJUSTABILITY** None

**COLORS Hardware:** White, Nickel, and Chrome Metal  
**Wood Finishes:** White, Century Gray, and Chocolate Pear

**WEIGHTLOAD CAPACITY** 85 lbs per foot of shelving

**ANCHOR SYSTEM** Sidewall Brackets install into drywall with proprietary hardware. Shelf Brackets install directly in wood or metal studs. Shelves secure to brackets with proprietary high strength adhesive film.

**WARRANTY** 10 Year Limited

**ACCESSORY OPTIONS** Corner Clothes Rod, Shelf Towers with or without accessory add-ons (Drawers, Shoe Shelves, Chrome Baskets)

## freedomRail®

**freedomRail** is a truly adjustable storage system that can be easily adjusted by the homeowner. Shelves and accessories can be moved up, down, left, or right at any time without tools. Users can add shelves or accessories to their system or completely change their closet layout without drilling new holes. freedomRail's thicker steel and superior hardware give it its strength and ability to be completely adjustable, appealing to the homeowner who wants control of their closets to meet their changing needs. freedomRail also offers a full line of garage storage and accessories.

**ADJUSTABILITY** Full, ADA compliant

**COLORS Hardware:** White and Nickel  
**Wood Finishes:** White, Century Gray, Chocolate Pear, Snowdrift Live, Cypress Live, Driftwood Live, and Midnight Live

**WEIGHTLOAD CAPACITY** 170 lbs per linear foot

**ANCHOR SYSTEM** Heavy-gauge patented Rail secures into steal or wood studs and drywall with proprietary anchor and screw system

**WARRANTY** 10 Year Limited

**ACCESSORY OPTIONS** Acrylic Shelf Divider, Book Ends, Cubbies, Desk Top, Filing Drawers, Jewelry Inserts, OBoxes®, Sliding Tie and Belt Rack, Shoe Fence, Shoe Shelves, Valet Rod, Ventilated Shelf Divider and Reveal Wire Baskets, Canvas Baskets, Hampers, Pant Rack, Shoe Racks, Shoe Shelves

## Select®

**Select** is a traditional, built-in storage solution. The heavy-gauge patented Rail, furniture-grade wood, and proprietary hardware combine to create the strongest rail-based wood closet system available. Select offers homebuyers the built-in look of a custom closet.

**ADJUSTABILITY** Limited. Can be installed to be ADA compliant

**COLORS Rail Color:** White and Nickel  
**Hardware Color:** Chrome and Black  
**Wood Finishes:** White, Truffle, Century Gray, Chocolate Pear, Slate and Snowdrift Live

**WEIGHTLOAD CAPACITY** 170 lbs per linear foot

**ANCHOR SYSTEM** Heavy-gauge patented Rail secures into steal or wood studs and drywall with proprietary anchor and screw system

**WARRANTY** 10 Year Limited

**ACCESSORY OPTIONS** Chrome Baskets, Drawers with Soft-Close Full-Extension Glides, Doors with Soft-Close Hinges, Shoe Shelves, Tie and Belt Rack, Valet Rod, Plain and Shaker Drawer Fronts, and Jewelry Drawer Insert

## Classica™

**Classica** is a custom built-in storage solution. This all wood furniture-grade system is custom designed for homebuyers and homeowners, then installed by trained installers. Classica appeals to homeowners who clearly understand their storage needs and prefer the fine details of custom storage.

**ADJUSTABILITY** Limited. Can be installed to be ADA compliant

**COLORS Hardware Color:** Chrome, Brushed Nickel and Black  
**Wood Finishes:** White, Truffle, Century Gray, Chocolate Pear, Snowdrift Live, Cypress Live, Driftwood Live, and Midnight Live
