LED Mirrors & Mirror Defoggers

About WarmlyYours Bathroom Solutions

For over 25 years, WarmlyYours has been a trusted name in radiant heating and comprehensive bathroom comfort solutions, serving more than 300,000 homes across North America.

Our LED mirrors and mirror defoggers bring the same commitment to quality, innovation, and customer satisfaction to your daily routine. Whether you are looking for elegant, energy-efficient illumination for a new construction project, or a simple upgrade to eliminate foggy glass in an existing bathroom, our products are engineered for lasting performance and timeless style. Both product lines are backed by our industry-leading warranty and 24/7 technical support.

LED Mirrors

- Premium copper-free glass with polished bevels.
- Energy-efficient LED technology with a 50,000+ hour lifespan.
- High color rendering (CRI 90+) for true-to-life reflection.
- Professional-grade construction and safety standards.
- Comprehensive warranty and lifetime U.S.-based support.

Mirror Defoggers

- Designed to gently heat the mirror's surface, preventing moisture from forming while you bathe or shower.
- Self-adhesive backing allows direct, quick application to the back of any wall-hung mirror.
- Thin profile connects easily and discreetly to any 120V circuit.
- Available in circular, oval, and rectangular shapes to fit a wide range of mirrors.
- Designed and engineered in the USA, backed by a 1-Year Warranty.

The Audrey

Classic beauty and seamless functionality are a lot to ask of any mirror, but the wall-mounted Audrey, from WarmlyYours' Marquee Series of LED Mirrors, delivers both with effortless poise.

This timeless, rectangular model can be installed vertically or horizontally, depending on the needs and aesthetics of your project. Bright, full-spectrum lighting shines through the Audrey's rectangular frosted inner frame.

- Can be installed vertically or horizontally
- A frosted inner frame warmly diffuses LED light
- 3,024 Lumens, roughly equivalent to a 200-watt incandescent light bulb

Construction	Silvered Glass • Wall Mounted
Warranty	2 Years

 **PRO Tip:** Perfect for double-vanity master suites and luxury bathroom renovations.

The Ingrid

Sometimes, a little goes a long way—nowhere is this more perfectly exemplified than in the Ingrid. This minimalist, rectangular model incorporates two frosted bars which imbue the full-spectrum lighting with a gentle and natural hue.

The Ingrid's elegant design is both visually striking and versatile because it can be installed either horizontally or vertically. Regardless of the season or time of day, this model delivers supplemental LED light that is the same color temperature (5,000 K) as natural daylight.

- Can be installed vertically or horizontally
- A frosted inner frame warmly diffuses LED light
- 1,944 Lumens, roughly equivalent to a 130-watt incandescent light bulb

PRO Tip:

The Ingrid 24" x 36" is a vertical rectangular mirror designed for narrow spaces and powder rooms.

The Judy

You don't have to search "over the rainbow" for a mirror that's both beautiful and functional. The 36" x 24" Judy backlit mirror from WarmlyYours' Marquee Series combines elegant design with standout features, including a hardwired defogger to keep the surface clear.

It also includes a built-in 3X magnifying mirror for detailed tasks like makeup application or shaving. LED light shines through a top bar and an inner frosted circle, with two selectable color temperatures controlled by a side touch button. A polished compound bevel adds subtle perimeter glow, while copper-free glass ensures a crisp reflection.

- Dual-color LED (cool & warm)
- Integrated 3X magnifying mirror

 **PRO Tip:** | The ultimate upgrade for master bathrooms with luxury convenience features.

The Marilyn

Unique is beautiful—and the Marilyn, from WarmlyYours' Marquee Series of LED Mirrors, is both. This curvaceous, circular mirror improves any room with vibrant, full-spectrum lighting and an alluring, organic design.

The wall-mounted Marilyn features silvered copper-free glass and a 27.5" diameter. Highly efficient supplemental LED light flows through a frosted inner circle, which gives the light a uniquely warm and generous hue.

- Distinctive, circular shape provides a natural focal point for room design
- Frosted inner circle warmly diffuses LED light
