

Model Home and Design Center Program

To support your Closet Selector Program, we will provide a full range of supporting materials, including customized brochures, signage, and more to educate your homebuyers on the importance of closet upgrades.

Model Home Program Materials

Closets

Standard and upgrade materials are provided at a 50% discount when you have at least 50 homes in a project.

Brochures

Educate your homebuyers on their closet options and highlight the benefits of upgrading now versus after move-in with a customized brochure to match your Closet Selector program.

Signage

A custom QR code is printed on signage to drive your homebuyers to Closet Selector prior to their selection appointment.

Design Center Program Materials

Displays

Choose between a freedomRail® or Select® 4-foot or 6-foot display for your Design Center at no charge when you have at least 100 homes in a project.

Brochures

Educate your homebuyers on their closet options and highlight the benefits of upgrading now versus after move-in with a customized brochure to match your Closet Selector program.

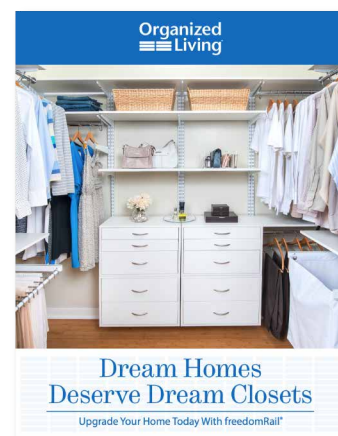

Signage

A custom QR code is printed on signage to drive your homebuyers to Closet Selector prior to their selection appointment.
