**CONNIE KNAAK TO REPRESENT THE WAGNER COMPANIES IN SOUTHWESTERN U.S.
Veteran Wagner Team Member Takes On Sales Responsibility for Texas**

Milwaukee, WI – The Wagner Companies has announced the appointment of Connie Knaak as outside sales representative for the southwestern United States.

Connie has over twenty-four years of experience with Wagner. During that time, she has served in a variety of position including receivables, customer service, customer service management, and production control. Most recently, she served in the role of manager of employee development.

Connie will be based in Austin, Texas and is responsible for growing sales in the southwestern United States.

The Wagner Companies has been in the metal business since 1850 as a manufacturer of handrail fittings and metal products for architectural and industrial applications. The main product lines include: Architectural Catalog, Architectural Custom and Industrial Original Equipment Manufacturer (OEM) products. Wagner offers laser, water jet, bending, stamping and finishing capabilities as well as engineering assistance. Wagner has a large inventory of raw materials and over 7,800 stock items in steel, brass, bronze, aluminum, and stainless steel.
