

Latham Plan Your Pool

Latham, The Pool Company has launched Plan Your Pool, an interactive tool on the company's website that offers a new way for homeowners and future homeowners to plan their pool project and budget ahead of purchasing a pool for their home. Features and benefits of the platform include exploring swimming pool shapes and patterns, landscape requirements, installation details, product descriptions, performance and more. Plan Your Pool also includes a Pool Cost Calculator, which allows homeowners to compare and contrast different pricing options that fit their budget.

Water Tech Pool Blaster Pro 1500

The Pool Blaster Pro 1500 is a battery-powered pool cleaner that offers professional-grade pool cleaning for commercial pools. Now engineered with the patented P22 Heavy Duty motor that fits into a powerful enough to capture debris of all sizes, the company says, it works independently from the pool's filtration system and requires no hoses or cords. The product easily attaches to a standard pool pump and features multiple vacuum heads for cleaning a variety of pool bottom surfaces. Comes with two interchangeable 1500psi jet filters to shut down particles up to one hour of run time, giving the Pro 1500 up to two hours of cleaning time.

Waterline Toys Skimmer

Waterline Toys introduces its RightKey Skimmer, a four-in-one toy that steps, slides, slides and jumps across water, space and air. For use in the pool and beyond, Skimmer adds many more ways to play: play a game of catch, challenge someone to try to make it come up with your feet alone. The skimmer also comes in three other options with a variety of colors and designs.
