JOBTREAD CONNECT
USER CONFERENCE

#JobTread

More than 200 customers and partners will gather for an exclusive 3-day event that gives JobTread users a chance to learn, network, and grow.

Richardson, TX, January, 9, 2023

JobTread is excited to announce it will host its inaugural user conference, JobTread Connect, this week from January 11-13, 2023. More than 200 attendees will gather at the DoubleTree Hotel in Richardson, TX to sharpen their JobTread skills and find new ways to take their business to the next level.

Attendees are coming in from all over the country, representing various segments of the construction industry including remodelers, home builders, deck builders, pool builders, commercial contractors, and more.

"We are thrilled to bring our customers together and meet in person for JobTread's inaugural user conference," said Eric Fortenberry, Founder & CEO of JobTread Software. "We believe that the connections and learning opportunities at JobTread Connect will greatly benefit our customers and help them get the most out of our software."

The conference will feature keynote speakers, breakout sessions, industry roundtables, a JobTread Partners expo, on-site training & support, and tons of networking. **Attendees of JobTread Connect will have the opportunity to:**

- Learn best practices for using JobTread
- Hear from industry experts
- Attend hands-on training sessions
- Sharpen their business skills
- Network with their peers and other JobTread users
- Meet and collaborate with the JobTread Team
- Registration for JobTread Connect is sold out. For more information about JobTread Connect, please visit **https://www.jobtread.com/connect.**

Interested parties can follow us on social using the hashtag #JobTread.

About JobTread

JobTread provides end-to-end construction management software to help jobs based businesses more efficiently manage all of their processes, from pre-construction through to project completion. The platform creates a central location to manage jobs, teams, schedules, documents, photos, finances, customers, vendors, sub-contractors, and more all in one place. Its budget-first approach creates financial transparency at every stage of a project, mitigating risk and ensuring the project stays on time and on budget. Get organized, complete your projects on time, and increase your profits with JobTread.
